AB Bookman's Weekly, 1997 **Encyclopedia of Beat Literature** Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation *William S. Burroughs Cutting Up the Century* Joan Hawkins, Alex Wermer-Colan, 2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs s Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice William S. Burroughs & Allen Ginsberg University of California, Los Angeles. Library, 1998 **Beat Culture** William T. Lawlor, 2005-05-20 The coverage of this book ranges from Jack Kerouac s tales of freedom seeking Bohemian youth to the frenetic paintings of Jackson Pollock including 60 years of the Beat Generation and the artists of the Age of Spontaneity Beat Culture captures in a single volume six decades of cultural and countercultural expression in the arts and society It goes beyond other works which are often limited to Beat writers like William Burroughs Charles Bukowski and Michael McClure to cover a wide range of musicians painters dramatists filmmakers and dancers who found expression in the Bohemian movement known as the Beat Generation Top scholars from the United States England Holland Italy and China analyze a vast array of topics including sexism misogyny alcoholism and drug abuse within Beat circles the arrest of poet Lawrence Ferlinghetti on obscenity charges Beat dress and speech and the Beat pad Through more than 250 entries which travel from New York to New Orleans from San Francisco to Mexico City students scholars and those interested in popular culture will taste the era s rampant freedom and experimentation explore the impact of jazz on Beat writings and discover how Beat behavior signaled events such as the sexual revolution the peace movement and environmental awareness **Understanding William S. Burroughs** Gerald Alva (Al) Miller, 2020-02-05 Through critical readings Gerald Alva Miller Jr examines the life of William S Burroughs and the evolution of his various radical styles not just in writing but also in audio film and painting Although Burroughs remains tied to the Beat Generation his works prove more revolutionary Miller argues that Burroughs more than any other author ushered in the era of both postmodern fiction and

poststructural philosophy Through this study Miller situates Burroughs within the larger countercultural movements that began in the 1950s when his novels became influential because of their examination of various control systems from sex and drugs to global or even intergalactic conspiracies Understanding William S Burroughs begins by considering his early straightforward narratives Despite being more stylistically conventional they broke new ground with their depictions of junkies gay people and others marginalized by society The publication of Naked Lunch shattered all literary paradigms in terms of form and content Naked Lunch and the cut up novels recordings films and art that followed constitute one of the twentieth century s most sustained and methodical aesthetic experiments placing Burroughs alongside Franz Kafka Jorge Luis Borges James Joyce Samuel Beckett Vladimir Nabokov and Thomas Pynchon in terms of both innovation and influence Burroughs eventually turned his attention toward imagining methods of using the control machinery against itself Often considered his masterpiece the Red Night Trilogy of the 1980s ranges across time and space and life and death in its quest to discover the ultimate form of freedom His antiestablishment stance and virulent attacks on various types of oppression have caused Burroughs to remain a highly influential figure to each new generation of authors artists musicians and philosophers The hippies punks and cyberpunks were all heavily indebted to the man whom many people called el hombre invisible and his works prove more relevant than ever in the twenty first century
