Place Of My Own

Charles Haddon Spurgeon

Place Of My Own:

A Place of My Own Michael Pollan, 2013-03-06 A captivating personal inquiry into the art of architecture the craft of building and the meaning of modern work A room of one s own Is there anybody who hasn t at one time or another wished for such a place hasn t turned those soft words over until they d assumed a habitable shape When Michael Pollan decided to plant a garden the result was the acclaimed bestseller *Second Nature* In *A Place of My Own* he turns his sharp insight to the craft of building as he recounts the process of designing and constructing a small one room structure on his rural Connecticut property a place in which he hoped to read write and daydream built with his own two unhandy hands Invoking the titans of architecture literature and philosophy from Vitruvius to Thoreau from the Chinese masters of feng shui to the revolutionary Frank Lloyd Wright Pollan brilliantly chronicles a realm of blueprints joints and trusses as he peers into the ephemeral nature of houseness itself From the spark of an idea to the search for a perfect site to the raising of a ridgepole Pollan revels in the infinitely detailed complex process of creating a finished structure At once superbly written informative and enormously entertaining *A Place of My Own* is for anyone who has ever wondered how the walls around us take shape and how we might shape them ourselves Praise for *A Place of My Own* A glorious piece of prose Pollan leads readers on his adventure with humor and grace Chicago Tribune Pollan alternates between describing the building process and introducing informative asides on various aspects of construction These explanations are deftly and economically supplied Pollan s beginner status serves him well for he asks the kind of obvious questions about building that most readers will want answered The New York Review of Books By shrewdly combining just the right mix of personal reflection architectural background and nuts and bolts detail Michael Pollan enables us to see feel and understand what goes into the building of a house The result is a captivating and informative adventure John Berendt author of *Midnight in the Garden of Good and Evil* An utterly terrific book an inspired meditation on the complex relationship between space the human body and the human spirit Francine du Plessix Gray A tour de force Phillip Lopate

A Place of My Own to Give God Glory Gwendolyn Wilson Diggs EdD, 2011-05-10 Years ago devout Christian Gwendolyn Wilson Diggs thought shed been forgotten by God While waiting in line for a life purpose she felt skipped over Others members of her musically inclined family sang or played instruments yet she did nothing Then during a particularly dark period she sat down and screamed God what do you want me to do His response Spread my Word and proclaim the gospel of Christ Diggss *A Place of My Own to Give God Glory* offers forty devotions each illuminated by scripture and inspired by God By putting God first and seeking His face Diggs discovered her true purpose since then she has been filled with the joy and peace of Christ and she seeks to spread His Word to the whole world She artfully combines life experiences with scripture turning each devotion into applicable lessons for your Christian walk with included journal sections for personal reflection Proverbs tells us In all thy ways acknowledge Him and He shall direct thy paths God is waiting for you to walk at His side These daily devotions will encourage you to view your

difficulties from a Christian perspective All of your questioning will reveal your purpose God does hear you and He wants you to hear His voice All it takes is daily devotion to Him and never forget the most important thing in life Give God Glory

Because His Heart Was Strong Chelsey L. Owens,2018-12-10 That was the moment the turning point That was the moment I fully understood the depth of Daddy s love for me Similar to the love of Christ I knew his lack of consciousness or even more realistically the hostility of death s doorstep could not interfere with my father s matchless love for his only daughter While Christ s suffering made me realize His love for me my daddy s suffering made me realize my love for him Losing a parent is never easy Losing a good parent is even crueler But losing an admirable parent comparable to Christ it s an extremely bitter truth to accept Written from the viewpoint of an undeniable Daddy s girl Because His Heart was Strong entwines the captivating journey of Rick Owens final decade of life through her own story including the remarkable courage he demonstrated amidst prolonged suffering and the sheer legacy he imparted in death highlighting the faith he placed in his Savior through it all *Memoirs of His Own Life* Tate Wilkinson,1998 *Memoirs of His Own Life* is the theatrical memoir of Tate Wilkinson one of the foremost actors and managers of the late eighteenth century In *Memoirs* Wilkinson chronicles the personalities and rivalries of the players he knew while tracing his own triumphs and disasters as he rose from being a star struck child watching rehearsals from behind the scenes at Covent Garden Theater to becoming one of the most popular performers and most successful managers of his day

Transdisciplinary Journeys in the Anthropocene Kate Wright,2016-12-08 *Transdisciplinary Journeys in the Anthropocene* offers a new perspective on international environmental scholarship focusing on the emotional and affective connections between human and nonhuman lives to reveal fresh connections between global issues of climate change species extinction and colonisation Combining the rhythm of road travel interviews with local Aboriginal Elders and autobiographical storytelling the book develops a new form of nature writing informed by concepts from posthumanism and the environmental humanities It also highlights connections between the studied area and the global environment drawing conceptual links between the auto ethnographic accounts and international issues This book will be of great interest to scholars and postgraduates in environmental philosophy cultural studies postcolonial theory Australian studies anthropology literary and place studies ecocriticism history and animal studies
