Places That Matter Dr. Joan Ferrante, 2018-07-24 *Places that Matter* asks the reader to identify a place that matters in their life their home a place of worship a park or some other site that acts as an emotional and physical anchor and connects them to a neighborhood Then readers are asked In what ways do I currently support or fail to support that neighborhood Should support be increased If so in what ways Joan Ferrante guides students through a learning experience that engages qualitative and quantitative research and culminates in writing a meaningful plan of action or research brief Students are introduced to basic concepts of research and are exposed to the experiences of gathering and drawing on data related to something immediate and personal The class tested exercises are perfect for courses that emphasize action based research and social responsibility The book's overarching goal is to help students assess their neighborhood's needs and strengths and then create a concrete plan that supports that neighborhood and promotes its prosperity Accompanying the book is a facilitator's companion website to guide action based research experiences which includes rubrics that are aligned to common learning objectives and are also designed to make tracking and reporting easier **Everyone's Choices**,

Teaching Fairly in an Unfair World Kathleen Gould Lundy, 2008 This powerful book helps teachers redefine an inclusive curriculum by questioning what is taught how it is taught to whom and under what conditions It offers teachers a wealth of challenging open ended pursuits that give students voice and help them better understand their world It explores opportunities for students to connect with social justice issues in the real world through imagined experiences found in short stories novels plays picture books graphic novels and primary source documents such as letters *Four Comedies* Kenneth P. Langer, 2018-09-12 Comedy is how we cope with the absurdity of life The person who cannot step back and see how ludicrous are most of the things we encounter in life is the person who gets mired and engulfed in them Comedy lets us step back and see the whole picture It reminds us of what is really important which certainly includes laughing and laughing often These four comedies each take on several situations but exaggerate them until they become enlarged and laughable To each are added an unusual use of standard theatrical tradition A writer of one play becomes involved with his own characters Another play actually moves backwards in time Another comedy is actually two separate plays that come together while another claims to be a musical but has no singing whatsoever Come along for the fun and laughter and lighten your burdens for a while *We Are Still Married* Garrison Keillor, 1990-04-01 Garrison Keillor made it possible after twenty years of black humor to be both funny and nice hip and winsome scathing and loving all in the flick of a single many barbed quip The Washington Post Book World Keillor's literary style is as flexible and assured as his vocal delivery It can slip from mood to mood so subtly and quickly you're never quite sure where you are His writing has the silvery slip of running water so graceful and easy it's hard to believe it can carry so much that is jagged and unresolved His integrity lies in his not smoothing away those rough edges in the swift current of his prose they're bruisingly sometimes cuttlingly there The Village
