Places History Tuscany:

International Dictionary of Historic Places: Southern Europe Trudy Ring, Robert M. Salkin, Sharon La Boda, 1995
First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Tuscan Spaces** Silvia Ross, 2010-01-01 In *Tuscan Spaces* Silvia Ross focuses on constructions of Tuscany in twentieth century Italian literature and juxtaposes them with English prose works by such authors as E M Forster and Frances Mayes to expose the complexity of literary representation centred on a single milieu **Tuscan Cities** William Dean Howells, 1885 Towards Effective Place Brand Management Gregory Ashworth, Mihalis Kavaratzis, 2010-01-01 Many facets of place branding such as identities image promotion or sense of place have been around for a long time However the need to analyse their nature in the context of branding and to examine their relationships in detail has grown rapidly in the last decade or so as places all over the world have put branding activities higher than ever in their agenda This important new book examines and clarifies key aspects of the recently popularised concept of place branding expounding many controversies confusions and discords in the field The expert contributors clarify several unresolved issues surrounding the application of place branding in particular its multiple goals They provide a detailed analysis of the role of local communities in place branding strategies and illustrate not only how but also why brand management should be implemented Case studies from a range of jurisdictions and cultural and political viewpoints are drawn upon each illustrating an array of issues or techniques in specific economic cultural and geographical contexts This book provides a theoretically informed but practically oriented overview and discussion of the increasingly popular field of place branding as an instrument of place management As such it will strongly appeal to both academics and practitioners in the fields of place marketing place branding local development tourism planning and development tourism marketing cultural geography urban and regional planning Consultants in local authorities national and regional tourism boards will also find this to be a fascinating read The Historical Geography of Europe Edward Augustus Freeman, 1881
 Some Tuscan Cities Ada M. Harrison, Robert Austin, 1924 Post-Metropolitan Territories Alessandro Balducci, Valeria Fedeli, Francesco Curci, 2017-01-20 Processes of multi scalar regional urbanization are occurring worldwide Such processes are clearly distinguishable from those of the nineteenth and twentieth centuries due to the shifting concepts of both the city and the metropolis International literature highlights how what we have historically associated with the idea of cities has long been subjected to consistent reconfiguration which involves stressing some of the typical features of the idea of cityness *Post Metropolitan Territories Looking for a New Urbanity* is the product of a research project funded by the Italian Ministry for Education Universities and Research MIUR It constitutes a thorough overview of a country that is one of Europe's most diverse in terms of regional development and performance Italy This book brings together case studies of a number of Italian cities and their hinterlands and looks at new forms of urbanization exploring themes of sustainability industrialization de industrialization governance city planning and quality of life This volume will be of great interest to academics and students

who study regional development economic geography and urban studies as well as civil servants and policymakers in the field of spatial planning urban policy territorial policies and governance
