Mark St. Germain

Plague Of Angels:

A Plague of Angels Sheri S. Tepper, 2011-09-29 When a hero sets off to find his princess he expects a fairytale ending but Tepper twists the archetypes to make this fabulous fable all her own Atop a twisting canyon climbing road a witch lurks in a fortress built strong enough to keep out dragons and ogres In an enchanted village a young orphan is maturing into a beautiful woman A young man seeks adventure in the big city after running away from his family and their small farm Now a strange and terrible prophecy will set off a chain of events that will bring these three together in a tale of heroism romance and an age old battle But this is not the fantasy world you expect The Place of Power is manned by strange robotic creatures who leak radiation The Archetypal Village knows what is expected of it as do the inhabitants In the city gangs battle with guns and bombs And the prophecy may lead to death for all Prequel to the widely acclaimed THE WATERS RISING this is a powerful and engrossing fantasy tale from Sheri S Tepper

The People of God in the Apocalypse Stephen Pattemore, 2004-06-17 Stephen Pattemore examines passages within Revelation 4 1 22 21 that depict the people of God as actors in the apocalyptic drama and infers what impact these passages would have had on the self understanding and behaviour of the original audience of the work He uses Relevance Theory a development in the linguistic field of pragmatics to help understand the text against the background of allusion to other texts Three important images are traced The picture of the souls under the altar 6 9 11 is found to govern much of the direction of the text with its call to faithful witness and willingness for martyrdom Even the militant image of a messianic army 7 1 8 14 1 5 urges the audience in precisely the same direction Both images combine in the final image of the bride the culmination of challenge and hope traced briefly in the New Jerusalem visions

Cupid in Early Modern Literature and Culture Jane Kingsley-Smith, 2010-09-09 Cupid became a popular figure in the literary and visual culture of post Reformation England He served to articulate and debate the new Protestant theory of desire inspiring a dark version of love tragedy in which Cupid kills But he was also implicated in other controversies as the object of idolatrous Catholic worship and as an adversary to female rule Elizabeth I's encounters with Cupid were a crucial feature of her image construction and changed subtly throughout her reign Covering a wide variety of material such as paintings emblems and jewellery but focusing mainly on poetry and drama including works by Sidney Shakespeare Marlowe and Spenser Kingsley Smith

Unveiling Three Parts of Babylon William C. Taggart III PhD,2022-12-06 This second book of the Unveiling Series *Unveiling Three Parts of Babylon* by Dr William C Taggart III offers a biblical study based on Revelation 16 19 where the kingdom of Satan portrayed as the great city Babylon falls into three parts The author noted that in Revelation 18 4 the saints are urged to leave Babylon to avoid her plagues Jeremiah 51 35 49 That the Satanic kingdom is portrayed biblically in three parts in Revelation 16 19 makes it imperative that the saints have a biblical understanding of those three parts to exit the Satanic kingdom completely A correct biblical understanding of the three parts of Babylon is essential to the fleeing saints as they seek to escape the Satanic influences in all its forms *Unveiling Three Parts of Babylon* continues the Unveiling Series by further biblically developing the three parts of Babylon which initially was presented by the author s doctoral dissertation through corrections made and additional analysis This second book not only exposes more fully the kingdom of Satan but encourages the successful exit of all humanity from the Babylonian entanglements of all three parts Revelation 18
