J. V. D'Cruz, William Steele

Plague On Both Your Houses Minor Parties In Australia:

A Plague on Both Your Houses Dean Jaensch, David Scott Mathieson, 1998 The first book to give minor political parties the attention they deserve Australian Politics in the Twenty-First Century Glenn Kefford, Hannah Murphy-Gregory, Ian Ward, Stewart Jackson, Lloyd Cox, Andrea Carson, 2018-09-20 Australian Politics in the Twenty First Century presents the many moving parts of Australia's political system from an institutional perspective It equips students with the requisite foundational knowledge and encourages them to critically examine the complex interplay between a centuries old system and a diverse modern Australian society **Political Parties and Campaigning in Australia** Glenn Kefford, 2021-02-15 Big data and microtargeting steal the headlines about campaigning But how important are they really to the way that political parties campaign This book provides a fine grained account of the campaign practices of three Australian political parties It explores how prevalent data driven campaigning is introduces an original theoretical framework to understand these practices and demonstrates that there is a disconnect between what Australian voters think about these issues and the way that parties campaign in the 21st century Drawing on 161 interviews participant observation and original survey data it shows that the reality of contemporary campaigning is often different to what we are led to believe *The Oxford Handbook of Australian Politics* Jenny M. Lewis, Anne Tiernan, 2021-10-20 The Oxford Handbook of Australian Politics is a comprehensive collection that considers Australia's distinctive politics both ancient and modern at all levels and across many themes It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation's Indigenous and imported heritage and global engagement The book presents an account of Australian politics that recognizes and celebrates its inherent diversity by taking a thematic approach in six parts The first theme addresses Australia's unique inheritances examining the development of its political culture in relation to the arrival of British colonists and their conflicts with First Nations peoples as well as the resulting geopolitics The second theme improvisation focuses on Australia's political institutions and how they have evolved Place making is then considered to assess how geography distance Indigenous presence and migration shape Australian politics Recurrent dilemmas centres on a range of complex political problems and their influence on contemporary political practice Politics policy and public administration covers how Australia has been a world leader in some respects and a laggard in others when dealing with important policy challenges The final theme studying Australian politics introduces some key areas in the study of Australian politics and identifies the strengths and shortcomings of the discipline The Oxford Handbook of Australian Politics is an opportunity for others to consider the nation's unique politics from the perspective of leading and emerging scholars and to gain a strong sense of its imperfections its enduring challenges and its strengths **Australian Political Institutions** Gwynneth Singleton, Don Aitkin, Brian Jinks, John Warhurst, 2012-11-07 Australian Political Institutions 10e introduces students to the structure and organisation of the institutions and functions of government in Australia with reference to contemporary issues and debates

A lot has changed in recent times in the Australian political environment Finally there is a text that incorporates all these important changes As an introduction to the principles of political science the text provides an analysis of key issues in the Australian political system in a clear and concise manner This new tenth edition retains its core focus on the Australian political system but also includes expanded comparative analysis of the similarities and differences in the structure and operation of political institutions in other countries which students can use to consider the strengths and weaknesses of the Australian political system and whether it could be improved Government Politics in Australia Alan Fenna,Jane Robbins,John Summers,2013-09-05 Government and Politics in Australia 10e is the comprehensive and scholarly political science text that provides thorough and accessible content written by authorities in the field Now in its 10th edition Government and Politics in Australia continues to provide students with a research based in depth contemporary introduction to the Australian political system A strengthened focus on government and politics ensures that this classic text remains the most comprehensive and authoritative guide to the structure and institutions of Australian government as well as political parties representation interest groups and the role of the media in Australian politics The 10th edition has been thoroughly revised and updated by experts in the field led by a new editor team and includes a completely new chapter on Australia in the world **Anti-political Establishment Parties** Amir Abedi,2004 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Government and Democracy in Australia Ian Cook,2004 Government and Democracy in Australia takes the opposition between politics understood as government and democracy as its underlying theme It examines a variety of factors that affect politics in Australia such as globalization the media and the internet as well as the basic aspects of Australian politics that must be addressed in a first year text **Australian National Bibliography** ,1997-12 **The Politics of Australia** Dean Jaensch,1997 *European Journal of Political Research* ,2002 **Government and Politics in Australia** William John Byrt, Frank Crean,1972 Cumulated Index to the Books ,1999 *New Zealand International Review* ,1977 **The Bulletin** ,2000-07 **Australia's Ambivalence Towards Asia** J. V. D'Cruz,William Steele,2000 **Parliamentary Debates (Hansard)**. Australia. Parliament. Senate,1977 **The Economist** ,1891 **Parliamentary Debates, Senate, Weekly Hansard** Australia. Parliament. Senate,1976 **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,1998
