

Plain Girl

Alvin Wood Chase

Plain Girl:

Plain Women Margaret C. Reynolds, Simon J. Bronner, 2001 Despite the great interest in plain groups in recent years comparatively little has been written about women and the particular role they play in preserving traditional religious and cultural values in the modern world In *Plain Women* Margaret C Reynolds portrays the women of the Old Order River Brethren a significant branch of the Brethren in Christ located mainly in Pennsylvania The members of this conservative offshoot of the Brethren are often confused with the Amish because of their plain attire but unlike the Amish they have made some notable concessions to the modern world including the use of automobiles computers and home appliances Noting these accommodations to modern American life Reynolds examines the ceremonies and traditions that allow the Old Order River Brethren to remain separate from other plain groups and from contemporary mass culture She describes for example the love feast communion a service that involves footwashing and a breadmaking ritual one unique to the Old Order River Brethren and solely performed by women Reynolds focuses in particular on the gendered customs of dress hair and domesticity that shape women's lives and in so doing preserve the minority faith itself *Plain Women* is the first volume in the new Pennsylvania German History and Culture Series published in cooperation with the Pennsylvania German Society This series is a continuation of the Society's annual volumes on Pennsylvania German scholarship in disciplines such as history religion folklore literature and arts

The Ugly-Girl Papers Anonymous, 2025-07-22 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Eclectic Magazine
John Holmes Agnew, Walter Hilliard Bidwell, 1868

Eclectic Magazine, and Monthly Edition of the Living Age John Holmes Agnew, Walter Hilliard Bidwell, 1868

Case Study Graeme Macrae Burnet, 2022-03-29 A dazzling and darkly funny investigation into sanity identity and truth itself with a page turning playful plot and labyrinthine layers London 1965 An unworldly young woman believes that a charismatic psychotherapist Collins Braithwaite has driven her sister to suicide Intent on confirming her suspicions she assumes a false identity and presents herself to him as a client recording her experiences in a series of notebooks But she soon finds herself drawn into a world in which she can no longer be certain of anything Even her own character In *Case Study* Graeme Macrae Burnet presents these notebooks interspersed with his own biographical research into Collins Braithwaite The result is a dazzling and often wickedly humorous meditation on the nature of sanity identity and truth itself by one of the most inventive novelists writing today
