## **Plain Speaking An Oral Biography Of Harry S Truman:**

Plain Speaking Merle Miller, 2018-04-24 Never has a President of the United States or any head of state for that matter been so totally revealed so completely documented Robert A Arthur Plain Speaking is the bestselling book based on conversations between Merle Miller and the thirty third President of the United States Harry S Truman From these interviews as well as others who knew him over the years Miller transcribes Truman s feisty takes on everything from his personal life military service and political career to the challenges he faced in taking the office during the final days of World War II and the beginning of the Cold War Using a series of taped discussions from 1962 that never aired on television Plain Speaking takes an opportunity to deliver exactly how Mr Truman felt about the presidency and his thoughts in his later years on his accomplishments and the legacy he left behind The values of Plain Speaking on the whole are those of the highest form of political communication the bull session As with all good bull sessions what is said here ranges widely in quality and seriousness as one should expect when dealing with a complex man The New York Times Plain Speaking has a nostalgic downhome quality of good friends gossiping over the back fence or saying their piece of a twilight eve rocking on the porch and if those fellas back in Washington have their secret machines running well they won t like what they overhear Not one

*Prisoners of the White House* Kenneth T. Walsh, 2015-11-17 *Prisoners of the White House* looks at the isolation experienced by presidents of the United States in the White House a habitat almost guaranteed to keep America s commander in chief far removed from everyday life The authors look at how this is emerging as one of the most serious

dilemmas facing the American presidency As presidents have become more isolated the role of the presidential pollster has grown Ken Walsh has been given exclusive access to the polls and confidential memos received by presidents over the years and has interviewed presidential pollsters directly to gain their unique perspective Prisoners of the White House gets inside the bubble and punctures the mythology surrounding the presidency **New York Magazine** ,1974-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Planet Neptune and the Modern Us Presidents: Franklin Roosevelt to Barack Obama Suzanne Angioli,2016-04-05 While studying the astrological birth charts of all the US presidents I discovered that those of the thirteen modern US presidents from Franklin Roosevelt to Barack Obama all had the natal Sun the planet most associated with ones basic identity making an aspect certain designated degrees between two planets to their natal Neptune This was surprising since I would have thought that politicians particularly those aspiring to the presidency would have an overwhelming emphasis on the Sun Mars aspect but not on the Sun Neptune aspect What I discovered in my research was that good politicians are not warriors Sun Mars per se who use the techniques of warfare to muscle their way through adversity Rather they are good actors Sun Neptune who are essentially chameleons Sun Neptune operating in the foggy Neptune realm of subtlety Neptune and seduction using their sensitivity Neptune and charm Neptune to serve their intuitive Neptune sides to try to achieve their goals It became apparent that a good politician is excellent at assuming different roles in order to fit a given political situation and move his agenda forward The Sun in aspect to Neptune is not unusual but there is no aggregate population that has 100 percent of its members with this aspect like the modern presidents I was intrigued with this occurrence and thus set out to research their individual biographies to see just how this aspect played out in their lives After all it seemed to be almost a prerequisite for being elected to the modern Oval Office Offen gesagt (Plain speaking, dt.)
