Protect Paisley Hope,2025-12-01 A wildland firefighter reconnects in a second chance romance with his late best friend's sister the one that got away in the scorching hot second book in the BookTok viral Sky Ridge Hotshots series Let me be your twin flame love I walk into the local bar with my hotshot crew dirty and exhausted only to slam into my biggest regret The twin sister of my lost best friend and the one who got away Violette Taylor I haven't seen her in years but I haven't forgotten her either I used to be Rowan to her Now I'm just King the guy who broke her heart but not for the reasons she thinks Violette a nurse and single mom is back in town for good and working hard to avoid anyone who reminds her of the past especially a career hotshot like me But when I fall into her care after an injury lands me in her burn unit it feels like maybe it's fate I know something she doesn't life rarely offers second chances I need to protect those I love So if this is my chance to make things right I'm taking it Tropes Firefighter romance Angst Small town romance Forced proximity Second chance romance Friend to Lovers Hurt Care Workplace romance [The Meaning of Myth in Uncertain Times](#) Evelien

Bracke,2025-12-29 This book examines how ancient mythology forms part of the stories we tell ourselves about today's uncertain times not only in popular culture but also in sociocultural and political debates It particularly explores the ways in which classical myths shape how our modern secular societies think about the interconnected geopolitical technological and ecological issues we are facing and our potential futures Classical myths like those of Achilles Medea and Odysseus are everywhere from films and novels to social media and games But how and why are we still fascinated with them particularly now Can these strange and often painful stories from societies so radically different from our own offer us genuine insights today This expanded English edition of Evelien Bracke's award-winning Dutch book *Leidraad door het labyrint* explores how and why Greek and Roman myths despite their ancient origins are surprisingly meaningful in these times of uncertainty Bracke offers a contextualization and literary analysis of classical mythology looking at both texts and visual media This allows readers to gain a better understanding of how people draw inspiration from the past in their attempt to create a better future and how these stories provide both collective and individual guidance in navigating the turbulent 21st century *The Meaning of Myth in Uncertain Times* is suitable for students scholars teachers and general readers interested in mythology and ancient Greek and Roman history and culture providing insights that are relevant to the challenges we all face today
