China-Focused Cases CEIBS Case Center, 2025-03-22 This book showcases a selection of award-winning cases from the Global Contest for the Best China-focused Cases. The contests held between 2018 and 2022 recognized 63 exceptional cases, 13 of which are in this publication. Each of the 13 cases has a unique focus. Some investigate how to capture value through new technologies and innovations or examine the intricate relationships between strategies, business models, and financial performance; examples include Freshippo, KFC China, Winner Technology, Geek and Alibaba vs JD.com. Others analyze Chinese companies' challenges when entering international markets and their strategic responses, Midea and SHEIN. Some delve into leadership, entrepreneurial management, family business succession, negotiation, and conflict management: EtonHouse, Antigal, Qiangda, Chilli, and Dispute over Year-end Bonuses. Two cases discuss how social enterprises can better balance their social purposes with financial sustainability and how companies can integrate social and business innovation: Daddy Lab and AstraZeneca. These cases originate from Chinese and international business schools, highlighting global interest in China's business and management dynamics. Echoing the Chinese proverb, "A single spark can start a prairie fire," we firmly believe that with collective efforts, more faculty members will recognize the value of the case method and the extensive opportunities of China-themed cases in global management education. We are committed to collaborating with them to meet the growing demand for diverse cases with global perspectives.

Beyond Getting By Holly Trantham, 2024-04-23 A beautiful full-color guide to living with money, not for money, packed with fun, tangible advice from the women behind *The Financial Diet*. *Beyond Getting By* will make you feel better, not worse, about your money and your life. Tiffany the Budgetnista, Aliche, New York Times bestselling author of *Get Good with Money*. The girlboss came in many forms, and she struggled valiantly against our increasing exhaustion at her brand of pinkwashed capitalism as liberation, but it's time to put her to rest. Yes, money is essential to life, and managing it well can be the difference between freedom and constraint. But once you have enough, the focus should be on converting it into things that are meaningful to you: more time with the people you love, more creativity, more days to just vibe on the couch. In *Beyond Getting By*, the women behind *The Financial Diet* teach you how to create and pay for a life you truly enjoy and that you can be proud of. They show you how to push beyond what society tells you will make you happy to determine what you actually want, with specific advice and interactive exercises on how to define your own budget philosophy by no longer chasing fast fashion and instant gratification, instead allowing the unlikely duo of Sigmund

Freud and Elizabeth Warren to guide your budgeting how the idea that we have equal opportunity is bullshit and how to start a self advocacy journal in order to kill it in that next raise negotiation how to stave off burnout by valuing your personal life with as much care as your career in addition to figuring out the true worth of your time Beyond Getting By is for the woman interested in a life where money is simply a tool and never a reflection of her worth It s for the woman who understands the limits of gamifying personal finance and that following trends isn t the same as creating a sustainable wealth generating plan for the future
