W.F.P. Burton (1886-1971): A Pentecostal Pioneer's Missional Vision for Congo David Neil Emmett, 2020-11-23 Emmett contributes to missional pentecostal historiography through bringing a pre eminent figure in early British Pentecostalism into the limelight He shows how Pentecostalism in Belgian Congo was pioneered by W F P Burton alongside local agency Central to Burton s contradictory and complex personality was a passionate desire to see the emancipation of humankind from the spiritual powers of darkness believing only Spirit empowered local agency would enduringly prove effective Burton s faith believed for Spirit intervention in church communities converting lives bringing physical healing and transforming regions In the maelstrom following Congolese Independence Burton s belief in his own brand of indigenisation made him an outlier even among Pentecostals Burton s pentecostal faith engendered an idealism which frustratingly conflicted with those not sharing it in the way he pursued it This book thus serves Pentecostals and historians by clarifying Burton s ideals and revealing the reasons for his frustrations
