

PIONEER JEWISH TEXANS

BY NATALIE ORNISH

Pioneer Jewish Texans

Sidney R. Weinberg

Pioneer Jewish Texans:

Pioneer Jewish Texans Natalie Ornish, 2011-09-01 With more than 400 photographs extensive interviews with the descendants of pioneer Jewish Texan families and reproductions of rare historical documents Natalie Ornish's *Pioneer Jewish Texans* quickly became a classic following its original release in 1989 This new Texas A & M University Press edition of Natalie Ornish's *Pioneer Jewish Texans* brings back into circulation this treasure trove of information on a rich and often overlooked vein of the multifaceted story of the Lone Star State

American Jewish History, 2007 Stories Untold, Jewish Pioneer Women, 1850-1910 Andrea Kalinowski, 2002 **Oscar Israelowitz's Guide to Jewish U.S.A.: The West** Oscar Israelowitz, 1987 The Jewish Texans University of Texas Institute of Texan Cultures at San Antonio, 1974 A history of Jewish settlement in Texas

Jewish Stars in Texas Hollace Ava Weiner, 1999 Texas Jews may be only a small proportion of the state's population but their leaders have often shone as unlikely stars in this Bible Belt state Grounded in the culture that gave rise to Christianity and thus sharing many of the community's values rabbis schooled outside the region brought erudition and an exotic individuality to the frontier Furthermore a rabbi's prophetic sense of social justice honed through centuries of Talmudic thought gave a Hebrew minister moral clout in a vigilante climate Because Texas synagogues were small rabbis served entire communities evolving into public figures recruited for an array of roles They blessed stock shows and rodeos They founded hospitals symphonies and charities They broadcast Sunday sermons over the radio They challenged the Ku Klux Klan and fought for academic freedom and prison reform Their names are etched on cornerstones and scrawled on state documents Welcomed as leaders of the Chosen People rabbis thrived and many stayed their entire careers Rabbis who accepted a call to the Lone Star State when it was still on the edge of the frontier often ventured out West as a last resort Some were freelancers never ordained Others came because they had no better pulpit offers A number had left Europe as rebels seeking to escape traditional religious practices These maverick rabbis were drawn to places with little Jewish history or hierarchy communities such as Beaumont Galveston Fort Worth Lubbock El Paso and Tyler where they created their own religious blueprints This thoroughly researched and engaging volume covering a time span from the 1870s through the 1920s tells the lively stories of eleven rabbis their lives and their Texas towns from big cities such as Dallas Houston and San Antonio to the remote locales of Hempstead and Brownsville Sit back and enjoy Texas history through rabbinical eyes

Dixie Diaspora Mark K. Bauman, 2006 Regional Jewish history at its best This book is an anthology of

essays designed to introduce readers to key issues in this growing field of scholarship and to encourage further study Divided into five sections Jews and Judaism Small Town Life Business and Governance Interaction and Identity the essays cover a broad geographical and chronological span and address a variety of topics including economics politics roles of women ethnicity and race This organizational structure enhances the volume's historical treatment of regional Jewish history and lends itself to cross disciplinary study in fields such as cultural studies religious studies and political science

Western States Jewish History, 1997 American Jewish Archives, 1993 **Lilith**, 1991 The Expulsion of the Jews Janice L. Booker, Yale Strom, 1992 Booker analyzes and explains the Jewish American Princess JAP myth showing how some people take the very stereotypes that anti Semites fashion and unknowingly use these masks in a self destructive way The book also covers blacks and other groups which are grist for the stereotype mill *Jews in American Agriculture* Irwin Weintraub, 2007-02-15 This annotated bibliography documents Jews significant contributions to American agriculture as farmers ranchers scientists and teachers Works cited include periodicals books newspapers government publications theses and dissertations and other miscellaneous sources The work is indexed by title and subject

The European Texans Allan O. Kownslar, 2004 Discusses the experiences of European immigrants in Texas and examines their social and cultural contributions to the Lone Star State Includes illustrations biographical sketches recipes and excerpts from personal letters

A Biblical People in the Bible Belt Selma S. Lewis, 1998 Some might expect from the title that this would be a book about Baptists but instead it's the story of Jewish life in Memphis from the antebellum period through the 1960s and of how and why Jews developed a respectful relationship with others in the heart of the Bible Belt The Jews not only took care of their own but also became contributors to their city by holding positions of municipal leadership actively supporting Memphis cultural and philanthropic activities and supporting racial integration As a historian and member of the Jewish community in Memphis Lewis U of Vanderbilt and Memphis was commissioned to write this history by the Jewish Historical Society of Memphis and the Mid South Annotation copyrighted by Book News Inc Portland OR

Daughters of Dallas Vivian Castleberry, 1994 **The Dallas Quarterly**, 1989 **Jewish America** Seymour Kurtz, 1985 Using a combination of vintage photographs and engaging text Seymour Kurtz chronicles the history and living spirit of Jewish Americans *Somos Primos Newsletters*, 1990

The Complete United States Jewish Travel Guide Oscar Israelowitz, 1993 **Jewish Combatants in the Wars of Early America** Sidney R. Weinberg, 2001-12 Jewish Combatants in the Wars of Early America In this book each Chapter describes and discusses a different Jewish man who volunteered for duty in the American Armed Forces of the Revolutionary War and later in the forces of the United States of America The book is in chronological order starting with men who fought in the Revolutionary War and ending with those who fought in the Civil War However the Jewish presence in North America was present earlier in the Colonial Period Whether it is coincidence or not the year 1492 was the year that Columbus sailed from Spain to discover the American continent and was also the year the Queen Isabella and King Ferdinand

of Spain started the infamous Spanish Inquisition The Inquisition decreed that all heretics Jews Moslems and Protestant Christians were to be burnt at the stake Although many Jews left Spain to avoid conversion many accepted Christianity and were labeled by the Spaniards Marrenos or New Christians There is much speculation that some of the crew of Columbus were Jews or Marranos At any rate the New World attracted many Jews and Marranos in an effort to escape the Inquisition So many of them settled in the Islands of the Caribbean Sea and the surrounding Continental countries that they called themselves The Nation When the Dutch obtained their freedom from Spain religious tolerance was proclaimed Many Jews migrated there and prospered What they looked like can be seen in the paintings by Rembrant One family the Salvadors were among the founders of the Dutch West India Company and later forced the Governor of New Amsterdam now New York Peter Styuvsant to admit three Jewish families from the Caribbean to settle in New Amsterdam The first chapter of this book is devoted to a descendent of the Salvadors named Francis who was scalped in line of duty during the Revolutionary War Despite much discrimination one of the men discussed Captain Uriah Phillips Levy influenced American history in two ways Primarily he was a leader in the successful effort to stop flogging of sailors in the United States Navy The other was that Captain Levy bought Monticello the home of President Thomas Jefferson after the President had died and Monticello had fallen in ruins The mother of Captain Levy is buried in Monticello As already mentioned the earliest Jewish migration to what is now the United States was from the Caribbean area These Sephardic Jews settled in the Southern areas the Colonies of the Carolinas Georgia and Virginia Centuries later when the Civil War began in the United States these Jewish families were Confederates Their lives and their relationship to the post Civil War Reconstruction period is discussed As the records of all of these individuals and their families are not available this book is not an encyclopedia of all the Jewish men who fought for their country in it s early Wars I m sure many important men were omitted Perhaps as data becomes available others will be described At the present it is hoped that this volume will bring attention to the sacrifices that Jewish men made to the beginnings of the United States of America

Embark on a breathtaking journey through nature and adventure with Explore with is mesmerizing ebook, **Pioneer Jewish Texans** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
