Vase-Painting in Classical Athens Martin Robertson,1992 In his new book Professor Martin Robertson author of A History of
Greek Art CUP 1975 and A Shorter History of Greek Art CUP 1981 draws together the results of a lifetime s study of Greek
vase painting tracing the history of figure drawing on Athenian pottery from the invention of the red figure technique in the
later archaic period to the abandonment of figured vase decoration two hundred years later The book covers red figure and
also work produced over the same period in the same workshops in black figure and other techniques especially that of
drawing in outline on a white ground The book is intended as a companion volume to Sir John Beazley s The Development of
Attic Black figure originally published in 1951 by California University Press and as an examination and defence of Beazley s
methods and achievements This book is a major contribution to the history of Greek vase painting and anyone seriously
interested in the subject whether scholar student curator collector or amateur will find it essential reading **The Autocar**
