Pioneer Catholic Journalism:

Pioneer Catholic Journalism Paul Joseph Foik, 1969 The purpose has been to trace the origin scope progress and design of newspapers and magazines from the earliest times down to the year 1840 inclusive Preface **Pioneer Catholic Journalism** Paul Joseph Foik (C.S.C.), 1969 **Reformen in der Kirche** Günther Wassilowsky, Andreas Merkt, Prof. Gregor Wurst, 2016-05-25 Dieser Band bietet einen kirchenhistorischen Beitrag zur aktuellen Diskussion Er präsentiert Beispiele für erfolgreiche und gescheiterte Reformen aus allen Epochen der Kirchengeschichte Die Themen reichen von den frühchristlichen Strukturreformen um das Bischofsamt und den Zölibat bis hin zu einer Reformbewegung in der DDR deren Schicksal erst jüngst aus Stasi Akten rekonstruiert wurde *Frontiers of Faith* John R. Dichtl, 2008-03-24 A vital history it adds immensely to our understanding of the place of religion especially Catholicism in the nineteenth century United States American Historical Review *Frontiers of Faith* Bringing Catholicism to the West in the Early Republic examines how Catholics in the early nineteenth century Ohio Valley expanded their church and strengthened their connections to Rome alongside the rapid development of the Protestant Second Great Awakening In competition with clergy of evangelical Protestant denominations priests and bishops aggressively established congregations constructed church buildings ministered to the faithful and sought converts Catholic clergy also displayed the distinctive features of Catholicism that would inspire Catholics and hopefully impress others The clerics' optimism grew from the opportunities presented by the western frontier and the presence of non Catholic neighbors The fruit of these efforts was a European church translated to the American West Using extensive correspondence reports diaries court documents apologetical works and other records of the Catholic clergy John R Dichtl shows how Catholic leadership successfully pursued strategies of growth in frontier regions while continually weighing major decisions against what it perceived to be Protestant opinion *Frontiers of Faith* helps restore Catholicism to the story of religious development in the early republic and emphasizes the importance of clerical and lay efforts to make sacred the landscape of the New West Dichtl's work is thoroughly researched and meticulously documented but he employs enough anecdotes of fiery priests recalcitrant laymen and saintly and not so saintly bishops to give his narrative a lively pace Ohio Valley History Dichtl has produced one of the finest studies of Catholicism in the early republic *Journal of the Early Republic* *The Wilderness, the Nation, and the Electronic Era* Elmer J. O'Brien, 2009-07-29 The Wilderness the Nation and the Electronic Era American Christianity and Religious Communication 1620 2000 An Annotated Bibliography contains over 2 400 annotations of books book chapters essays periodical articles and selected dissertations dealing with the various means and technologies of Christian communication used by clergy churches denominations benevolent associations printers booksellers publishing houses and individuals and movements in their efforts to disseminate news knowledge and information about religious beliefs and life in the United States from colonial times to the present Providing access to the critical and interpretive literature about religious communication is significant and plays a central

role in the recent trend in American historiography toward cultural history particularly as it relates to numerous collateral disciplines sociology anthropology education speech music literary studies art history and technology The book documents communication shifts from oral history to print to electronic and visual media and their adaptive uses in communication networks developed over the nation's history This reference brings bibliographic control to a large and diverse literature not previously identified or indexed *Greenwich Village Catholics* Thomas J. Shelley, 2003 Jay Dolan transformed the writing of American Catholic history a quarter century ago by telling the story from the bottom up instead of from the top down In recent years a number of parish histories have appeared that reflect and expand this new methodology They successfully relate the life of a local faith community to the larger religious and secular world of which it is a part and reciprocally illuminate that bigger world from the perspective of this local community St Joseph's Church in Greenwich Village offers a fruitful opportunity for this kind of history During the life span of this parish the Catholic community in New York City has grown from a mere thirty or forty thousand to over three million in two dioceses St Joseph's Church began as a poor immigrant parish in a hostile Protestant environment developed into a prosperous working class parish as the area became predominantly Catholic survived a series of local economic and social upheavals and remains today a vibrant spiritual center in the midst of an overwhelmingly secular neighborhood Its history provides a fascinating glimpse of the evolution of Catholicism in New York City during the course of the past 175 years The history of this parish is worth telling for its own sake as the collective journey of one faith community from immigrant mission to pillar of society and then to spiritual outpost in the Secular City However it has significance far beyond the boundaries of Greenwich Village because it documents at the most basic and vital level of Catholic communal organization the interaction between change and continuity that has been one of the most prominent features of urban Catholicism in the United States over the past two centuries *Congressional Record* United States. Congress, 1966 *Catholic Faith in America* Chester Gillis, 2009 One in four Americans is Roman Catholic and the beliefs practices structures and loyalties of this large faith community are important to the political social and religious life of America This book explores the dynamic and sometimes difficult relationship between the church and the state Sammlung bibliothekswissenschaftlicher Arbeiten, 1929 **James A. McMaster** Sister Mary Canisius Minahan, 1934 **The Catholic Encyclopedia: New Mexico-Philip**, 1911 Pettengill's Newspaper Directory and Advertiser's Hand-book for 1878 Pettengill, firm, newspaper advertising agents, 1878 **The Life of James Roosevelt Bayley** Hildegarde Yeager (Sister), 1947 **The Life of James Roosevelt Bayley, First Bishop of Newark and Eighth Archbishop of Baltimore, 1814-1877** Sister Hildegarde Yeager, 1947 *Interpreting the Church Through Press and Radio* Roland Edgar Wolseley, 1951 Pettengill's Newspaper Directory and Advertisers' Handbook for ..., 1878 Willing's Press Guide, 1906 Coverage of publications outside the UK and in non English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts **Ayer Directory, Newspapers, Magazines and Trade Publications**, 1884
