Pioneer Cook A Historical View Of Canadian Prairie Food:

Culinary Landmarks Elizabeth Driver, 2008-04-05 *Culinary Landmarks* is a definitive history and bibliography of Canadian cookbooks from the beginning when *La cuisinière bourgeoise* was published in Quebec City in 1825 to the mid twentieth century Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored text or a Canadian edition of a foreign work Every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women's groups The entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada while brief introductions for each province identify regional differences in developments and trends Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive reference book *Changing Women, Changing History* Diana Lynn Pedersen, 1996

Changing Women Changing History is a bibliographic guide to the scholarship both English and French on Canadian's women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive **Reappraisals in Canadian History, Pre-confederation** Robert Matthew Bray, Carl Wallace, 1999

Canadian Books in Print. Author and Title Index, 1975 *A Propensity to Protect* W.H. Heick, 2006-01-01 For Canada the last century was one of great social and economic change an increasingly urban population witnessed shifts from an agricultural to a mixed economy and from moderate to greater wealth Heick chronicles how changing attitudes toward butter and margarine reflected the nature of that society He demonstrates how the ban on the manufacture importation and sale of margarine was instigated in 1986 at the behest of the nascent yet influential dairy industry particularly in Ontario This ban was based on the premise that margarine was not a pure food Despite the lifting of the ban in 1918 23 margarine would only appear as a permanent fixture of the Canadian food spectrum after World War II The author contends that post World War II urbanization and a desire to enjoy a more prosperous life after wartime stringencies were instrumental in this change It was increasingly difficult for the Canadian dairy industry to meet the nation's growing dairy requirements Margarine was no longer viewed as impure in fact it was now recognized as being a wholesome food and substitute for butter Heick's important study of the Canadian butter margarine competition brings to light how the lengthy debate manifested itself in political economic and social milieu *The Canadian Historical Review*, 1980 Includes section Recent publications relating to Canada *Alberta History*, 1981 *Hearth and Home* Fiona Lucas, 2006-06-26 Explore the rich history of women's work and the art of cooking over an open hearth in historic Canadian kitchens Today the fireplace with its crackling logs is a

romantic icon representing the heart of the home but not so long ago its role was much more than symbolic. A hearth or fireplace was an essential first fixture in Canadian homes and its warmth sustained the family in many ways. Whether in a longhouse, a fishing shack, a log cabin, a manor home or on a thriving farm, the kitchen was the main workplace of Canadian women within family-centred households for generations. Its central feature is the focal point of *Hearth and Home*, a social history that evokes the sights, smells, and tastes of historic kitchens. This book tells the story of the women who worked back-breaking hours tending the fire and using its energy with skill and resourceful creativity to nourish their families or feed a hungry folk. Fiona Lucas, culinary historian and practiced hearth cook, synthesizes the shared experience of the family cook across decades and cultures along the way, introducing readers to fascinating dishes such as the hedgehog pudding and tools such as the salamander and the spider. The text is illustrated with photographs from historic sites including Black Creek Pioneer Village, Louisbourg, Kings Landing, Upper Canada Village, and many others. This is a book that will appeal to readers of Canadian history and to anyone who has puzzled over the now unusual kitchen tools once common in 19th-century homes.

Material History Bulletin, 1988 *Bulletin D'histoire de la Culture Matérielle*, 1987 **Canadian Books in Print**, 1999 International Books in Print, 1991 **Canadiana**, 1981 *America, History and Life*, 2007. Article abstracts and citations of reviews and dissertations covering the United States and Canada. **Canadian Book Review Annual**, 1997. The Pioneer Cook Beulah M. Barss, 1980 **Canadian Food Words** Bill Casselman, 1998. Canada's bestselling word wizard is back with a gustatory gallivant across Canada. Learn about and enjoy some of the food words Canadians use and have used. Many of these words as tangy and succulent as the foods they name. Casselman sets the gastric juices flowing and helps us savour the etymological flavour of our hearty Canadian fare as well. The gastronomic grand tour begins in Newfoundland after a Jigg's dinner with scrunchins washed down with a stain-o-rum and then we light out for the West Coast to lap up a foaming bowl of soap-hollie ice cream. Along the way there are stops and mug-ups for Maritime funky and bangbelly bakeapple jam and blueberry grunt fricko on PEI rappie pie in New Brunswick drepsey soup in Southern Ontario bannock in Manitoba Saskatoonberry turnovers along the Qu'Appelle River, backed wind pills in Alberta and moose muffle soup in Tuktoyaktuk. Foodies and word buffs alike will enjoy this book written as it is in true Casselman form: scholarly, entertaining, and often hilarious. **Cahiers de la Femme**, 1981 *Prairie People* Robert Collins, 2003. The prairies are Robert Collins's spiritual home. He was born and raised on a Saskatchewan farm but lived most of his adult life elsewhere. Now he returns to his homeland to pay homage to the special nature of the people who live in this unique region of Canada. His cast of characters, some poignant, some hilarious, includes city and town dwellers, farmers, oilmen, politicians, artists. He encounters a cowboy poet, a Ph.D. the private world of a Hutterite colony, a single mother who is a rancher, the banker who saved an historic tree, a native woman fighting to clean up the reserves. He takes a sly look at the Western redneck, samples local culinary delights and finds a passionate love of prairie in Peter Lougheed. *Prairie People* describes the stark

misery of the earliest settlers and the fierce elements that shape and toughen their descendants to this day And it examines the increasingly urban face of the region explains the unifying distrust of Central Canada and illustrates the people s hardy pessimism their uncommon independence and self reliance their legendary humour warmth and friendliness An absorbing compilation of stories told in the voices of ordinary people and the author s own memories and commentary on the region s past and present Prairie People explores the characteristics that define these people to themselves and reveals them to the rest of Canada Book jacket Canadian Selection Alvan Bregman, Ontario.
