Pioneering A Global Vision The Story Of Baker McKenzie:

Pioneering a Global Vision Jon R. Bauman, 1999 Despite humble beginnings on a New Mexico ranch Russell Baker did what Wall Street said couldn't be done he opened law firms around the world staffed them with highly qualified local attorneys made them equal partners and gave them autonomy to build their own offices This book is the story of Russell Baker and the global law firm he created Baker McKenzie It is written by a former journalist and Baker McKenzie partner Jon R Bauman For additional career resources visit the AttorneyJobs Web site **The Internationalization of the Practice of Law** Jens Drolshammer, Michael Pfeifer, 2021-08-04 *Lawyers in Practice* Leslie C. Levin, Lynn Mather, 2012-03-30 How do lawyers resolve ethical dilemmas in the everyday context of their practice What are the issues that commonly arise and how do lawyers determine the best ways to resolve them Until recently efforts to answer these questions have focused primarily on rules and legal doctrine rather than the real life situations lawyers face in legal practice The first book to present empirical research on ethical decision making in a variety of practice contexts including corporate litigation securities immigration and divorce law *Lawyers in Practice* fills a substantial gap in the existing literature Following an introduction emphasizing the increasing importance of understanding context in the legal profession contributions focus on ethical dilemmas ranging from relatively narrow ethical issues to broader problems of professionalism including the prosecutor's obligation to disclose evidence the management of conflicts of interest and loyalty to clients and the court Each chapter details the resolution of a dilemma from the practitioner's point of view that is in turn set within a particular community of practice Timely and practical this book should be required reading for law students as well as students and scholars of law and society Global Pro Bono Scott L. Cummings, Fabio de Sa e Silva, Louise G. Trubek, 2022-04-07 The principle and practice of pro bono or volunteer legal services for the poor and other marginalized groups is an increasingly important feature of justice systems around the world Pro bono initiatives now exist in more than eighty countries including Colombia Portugal Nigeria and Singapore and the list keeps growing Covering the spread of pro bono across five continents this book provides a unique data set permitting the first ever comparative analysis of pro bono's growing role in the access to justice movement The contributors are leading experts from around the world whose chapters examine both the internal roots of and global influences on pro bono in transnational context Global Pro Bono explores the dramatically expanding geographical and political reach of pro bono documenting its essential contribution to bringing more justice to those on the margins while underscoring its complex and contested meaning in different parts of the world Law, Legal Expertise and EU Policy-Making Emilia Korkea-aho, Päivi Leino-Sandberg, 2022-10-20 This edited collection examines the changing role of the legal profession as experts in the context of European Union policy making Drawing on theoretical and empirical research and the idea of law as a social and political practice this socio legal work brings together a group of legal scholars and political scientists to investigate how lawyers through the deployment of their expertise and knowledge act as experts in

matters of EU related policy making at the national European and international levels It provides new theoretical viewpoints and untold stories from legal experts themselves promotes an evolving definition of what constitutes legal expertise and what shapes legal experts in a time when experts are in equal measure both revered and ignored and introduces new critical voices in the field of EU socio legal studies Big Law in Latin America and Spain Manuel Gómez,Rogelio Pérez-Perdomo,2017-11-22 This book part of the Stanford Law School research project on the future of the legal profession thoroughly examines the future of big law defined as the large and mid size multiservice highly specialized law firms that provide sophisticated complex and generally costly legal work to multinationals large and mid size domestic corporations and other business clients By systematically gathering assessing and analyzing the best available quantitative and qualitative data on the first tier of the corporate legal services market of Latin America and Spain and interviewing a broadly representative sample of corporate legal officers law firm partners and other stakeholders in each of the countries covered this book provides a nuanced perspective on changes in big law during the last two decades until the present It also explores the factors that are driving these changes and the implications for the future of legal profession legal education and its relationship with the corporate sector and society in general *International Directory of Company Histories* Jay P.
