**Taking Lives** Irving Louis Horowitz, 2017-07-12 Taking Lives is a pivotal effort to reconstruct the social and political contexts of twentieth century state inspired mass murder Irving Louis Horowitz re examines genocide from a new perspective viewing this issue as the defining element in the political sociology of our time The fifth edition includes approximately 30 percent new materials with five new chapters The work is divided into five parts Present as History Past as Prologue Future as Memory Toward A General Theory of State Sponsored Crime Studying Genocide The new edition concludes with chapters reviewing the natural history of genocide studies from 1945 to the present along with a candid self appraisal of the author s work in this field over four decades Taking Lives asserts that genocide is not a sporadic or random event nor is it necessarily linked to economic development or social progress Genocide is a special sort of mass destruction conducted with the approval of the state apparatus Life and death issues are uniquely fundamental since they alone serve as a precondition for the examination of all other issues Such concerns move us beyond abstract formalist frameworks into new ways of viewing the social study of the human condition Nearly all reviewers of earlier editions have recognized this Taking Lives is a fundamental work for political scientists sociologists and all those concerned with the state s propensity toward evil

Zum Umgang mit belasteter Vergangenheit im postgenozidalen Ruanda Marcel Bohnert, 2008      **The Laws of Genocide** Thomas W. Simon, 2007-06-30 How should we confront hate As political activists we could resort to fighting hate with hate As concerned citizens we could consciously ignore or actively protest hate As committed educators we could put the implements and survivors of hate on display As committed scholars we could resuscitate the idea of evil As humanitarian jurists we could put individual hate mongers on trial Part I of this book makes a case for making the maximum use of reason to deal with hate This means that we should actively debate those who promote hate Further as a close look at the history of applying law to incidents of hate and violence illustrates the courtroom proves to be an excellent place to demonstrate the virtues of applying the tools of reason not to global evils but to the grave injustices of the world In Part II Simon demonstrates the power of legal analysis in enhancing our understanding of genocide probably the worst injustice imaginable A close examination of each purported element of the crime of genocide redirects misguided turns taken by international jurists Jacket      Sweden's Relations with Nazism, Nazi Germany, and the Holocaust Stig Ekman, Klas Åmark, John Toler, 2003 The Committee for Humanities and the Social Sciences at the Research Council has been commissioned by the government to carry out a program of research into Sweden s relations with Nazism Nazi Germany and the Holocaust A part of this commission was to produce a survey of the research field This survey was organized around the three key concepts of the title of the research program with chapters on Sweden and the Holocaust A special chapter on Sweden s economic relations to Nazi Germany was added as well as a bibliography The survey gives both a picture of a broad research in the field with

ongoing debates in a number of areas but also of significant gaps where research still is lacking The survey presents an internationally unique presentation of the state of research in a much debated and controversial field Journal of the Society for Armenian Studies ,2008 *Armenian genocide, Turkey and Europe* Hans-Lukas Kieser,2006 **Genocide Perspectives II** Colin Tatz,Peter Arnold,2003 Collection of essays about holocaust and genocide Looks at cultural and linguistic genocide as well as physical genocide examines the perpetrators and the failure to prevent genocide Explores these themes in the cases of Armenians Jews Tutsis the East Timorese and the Australian Aborigines Includes endnotes and selected bibliography Colin and Sandra Tatz are directors of the Australian Institute for Holocaust and Genocide Studies

**Holocaust Education** Samuel Totten,2002 Addresses many problematic practices currently being implemented in Holocaust education as well as raising critical issues and highlighting effective teaching strategies **Teaching about the Holocaust** Samuel Totten,Paul R. Bartrop,Steven Leonard Jacobs,2004-04-30 This collection of fourteen essays by renowned scholars in the field of Holocaust studies seeks to reflect on the experience of teaching and researching this complicated and emotional topic Contained within are the pioneering stories of those presently engaged in the work of Holocaust education Separately they represent a variety of disciplines and orientations Collectively they give evidence of the strong commitment to continue this important work and the moral and ethical demands such teaching writing and research place upon all who engage in it Different perspectives from historical philosophical and religious frameworks come together to create a unique contribution to the literature on the Holocaust Educators discuss what they teach their methodologies and theoretical orientations and reflect on their own journeys that brought them to this field The unique nature of these stories bring needed background to the field of Holocaust studies and also serve to inspire others to enlarge their thinking and understanding of previous work on this topic The stories of these committed Holocaust educators will serve to inspire a new generation of thinkers writers and activists to engage in such work In reading their stories their collective commitment to make a difference today and tomorrow shines through This volume will be a valuable resource for courses in the Holocaust contemporary post Holocaust realities as well as courses in genocide Scholars and anyone with an interest in enriching their understanding of the Holocaust will find much within to inspire them and provoke new ideas **Is History Fiction?** Ann Curthoys,John Docker,2005 The title question becomes a rabbit hole through which we tumble in search of an answer encountering everyone from Herodotus to Humphrey Bogart along the way Is History Fiction is an invaluable guide on how to weld creative thinking and sound research into meaningful history and how to understand the different arguments that have abounded throughout time regarding the nature of history More than a book of theory about theory this innovative work is an asset to the undergraduate classroom and the research seminar alike Is History Fiction will be a welcome aid for teaching historical writing and examining an age old question Is History Fiction is a must read for undergraduate and graduate students and scholars from the humanities and social sciences or anyone grappling with the enduring issues that

have shaped the theory and practice of recording history
