Understanding Those Who Took “One Small Step for Man”

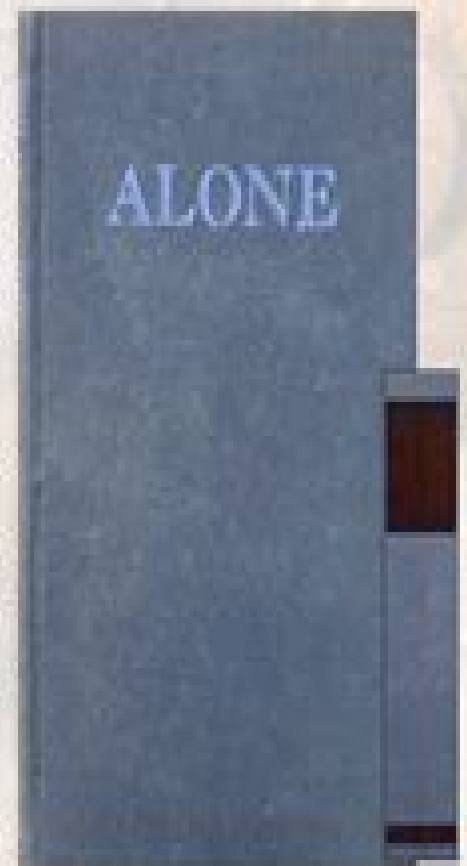

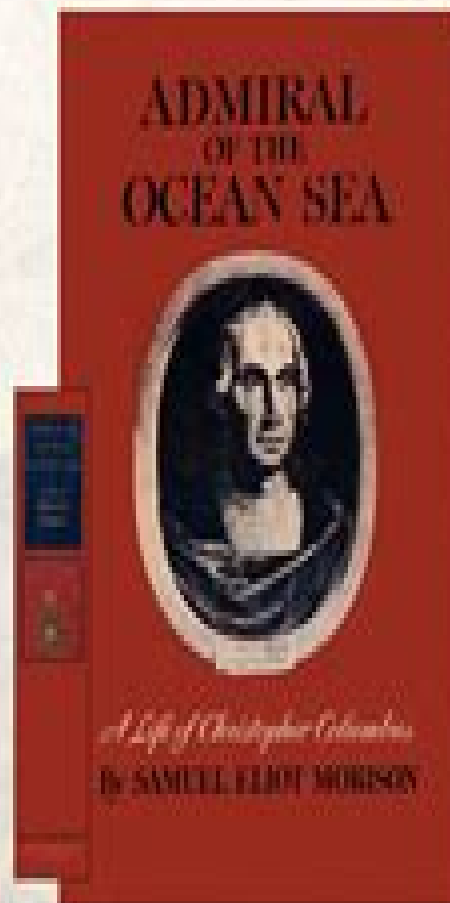

Christopher Columbus and Admiral Richard E. Byrd

UNDERSTANDING EXPLORERS AND PIONEERS

“Men of vision are men of hope. They are the pioneers in all fields of human endeavor. They succeed in translating their hopes and aspirations into realities through creative industry and marked determination. ...

“Their spirit of independence and self-reliance is typical of pioneers. This spirit has never died in this country. We are still a nation where opportunity exists for all who want to use it, and where each person may give his best to the common good of all.
