Pioneers Progress:

The Burden of History Elizabeth Furniss,1999 In this ethnographic case study of an interior British Columbia community the author looks at the roots of social conflicts and examines how prevalent colonial assumptions of history identity and Aboriginal non Aboriginal relations affect the lives of all the residents She shows how assumptions about colonisation permeate many aspects of everyday life and work to reinforce the marginalization of the native people of the area but she also points out that the native people are engaging in strategies to confront and challenge the frontier complex While focused on Williams Lake this book has a much broader relevance and throws light on current debates about Aboriginal and settler understandings of history the legitimacy of Aboriginal claims and the place of Aboriginal people in Canadian society

The Pioneer Gift Cathy Ross,Jonny Baker,2014-07-31 Pioneer ministry happens among the 88% of the population that the Church does not reach Even if the best practices of growing churches were rolled out across every parish 75% of the population would remain untouched so pioneer ministry is about doing things differently literally ripping up the existing manual and starting again The situation demands urgency imagination and energy and a good theological grounding which this book sets out to provide Ordained pioneer ministry is a significant and growing presence in the Church of England and the Methodist Church and in denominations around the world Here leading practitioners and theologians in the pioneer movement including Doug Gay Liz Sercombe Beth Keith Gerald Arbuckle and others reflect on emerging trends practices and key theological challenges They explore how people experience transformation contextual engagement dissent as a form of leadership emerging patterns of urban ministry whether the language of sin and guilt works today challenges assumptions about how pioneer ministry is learned and more

The Refuge of Affections Eric Rauchway,2001 The Progressives those reformers responsible for the shape of many American institutions from the Federal Reserve Board to the New School for Social Research have always presented a mystery What prompted middle class citizens to support fundamental change in American life Eric Rauchway shows that like most of us the reformers took their inspiration from their own lives from the challenges of forming a family Following the lives and careers of Charles and Mary Beard Wesley Clair and Lucy Sprague Mitchell and Willard and Dorothy Straight the book moves from the plains of the Midwest to the plains of Manchuria from the trade union halls of industrial Britain to the editorial offices of the New Republic in Manhattan Rauchway argues that parenting was a kind of elitism that fulfilled itself when it undid itself and this vision of familial responsibility underlay Progressive approaches to foreign policy economics social policy and education

Unlikely Heroes Ari Kohen,Gerald J. Steinacher,2019-05-01 Classes and books on the Holocaust often center on the experiences of victims perpetrators and bystanders but rescuers also occupy a prominent space in Holocaust courses and literature even though incidents of rescue were relatively few and rescuers constituted less than 1 percent of the population in Nazi occupied Europe As inspiring figures and role models rescuers challenge us to consider how we would act

if we found ourselves in similarly perilous situations of grave moral import Their stories speak to us and move us Yet this was not always the case Seventy years ago these brave men and women today regarded as the Righteous Among the Nations went largely unrecognized indeed sometimes they were even singled out for abuse from their co nationals for their selfless actions Unlikely Heroes traces the evolution of the humanitarian hero looking at the ways in which historians politicians and filmmakers have treated individual rescuers like Raoul Wallenberg and Oskar Schindler as well as the rescue efforts of humanitarian organizations Contributors in this edited collection also explore classroom possibilities for dealing with the role of rescuers at both the university and the secondary level Transactions of the Oregon Pioneer Association ,1875 The Christian Pioneer ,1870 **Report of the Pioneer Society of the State of Michigan** ,1884 The Works of Hubert Howe Bancroft: History of Utah. 1889 Hubert Howe Bancroft,1889 *Transactions* Indiana Horticultural Society,1899
