Ignorance Is Bliss - Sailing with Dad Richard Hansford, 2008-10 Ignorance is Bliss Sailing with Dad is for everyone who has ever dreamed of traveling under canvas driven solely by a gentle breeze and with the cheerful chuckle of water under the bow These are not harrowing tales of blizzards on far away oceans but rather the experiences of an ordinary family as it steers an erratic course from an English Midlands lake to the Caribbean Sea and from naivety to a state of near competence We are carried from the nostalgia of the post WW2 scene and the gleam of varnished mahogany to the utilitarian glass fiber boats of the present through three generations of sailors each of whom learns a little from his forebears Though at times improbable these tales are all completely true It will be a flinty reader indeed who does not let loose the occasional Gordon Bennett or stone the crows on learning of some of the predicaments awaiting innocents afloat This book does not belong in the how to do it section of the bookstore indeed it probably belongs in a how not to do it section still to be devised Yet there is wisdom here if you will dig for it Richard Hansford is the author of *The Doctor Factory* a book about the life of professors at a fictional offshore medical school named the Freedom University of the Caribbean FUC which has been well received

It Must Be a Full Moon Brockton Moutray, 2023-08-18 Would you be totally thunderstruck slap your forehead shake your head and stare with eyes as big as frying pans if you found a chubby mouse with floppy ears and a drooping rumbling tummy tucked under the blankets of your warm cozy bed Would you scratch your head and mutter This just can't be possible It must be a full moon it simply must be There's absolutely no other logical explanation if you found a furry black cat dressed in overalls curled up atop your bed speaking with the mouse about the circumstances that landed them into the bedroom in the first place If you think this could never happen think again This is exactly what happened to a 10 year old boy named Joseph and his grandpa named Grandpa and this is just the beginning of an absolutely madcap adventure filled with the wackiest zaniest characters you'll ever meet From a cozy bedroom to a magical cave to a buried treasure chest and down what seems to be a never ending tunnel Joseph Grandpa Pip the Mouse Diddles the cat together with a young girl named Emma who Joseph thinks is as pretty as a button find themselves dangling perilously over a deep rocky gorge Countless characters offer to help the group out of the gorge but the unthinkable happens Will unshakeable friendship infinite patience and unrelenting teamwork be enough to get the group back to Grandpa's Farm safe and sound This story promises to knock your socks off *It Must Be a Full Moon* is the last book in the trilogy
