Steger (ed), 2019 Since the end of the Cold War globalization has been reshaping the modern world and an array of new scholarship has risen to make sense of it in its various transnational manifestations including economic social cultural ideological technological environmental and in new communications The chapters discuss various aspects in the field through a broad range of approaches This handbook focuses on global studies more than on the phenomenon of globalization itself although the various aspects of globalization are central to understanding how the field is currently being shaped

**Ending the War on Drugs** Dirk Chase Eldredge, 1998 The author a conservative Republican examines why America is losing the war on drugs and makes a case for controlled legalization Copyright Libri GmbH All rights reserved **The Drug Problem** Herbert M. Levine, 1998 Series Roundup series last reviewed this issue **Traffick** Gargi

Bhattacharyya, 2005-06-20 Shows how the illegal economy drugs and people trafficking is essential to global markets

**Collective Violence** Craig Summers, Eric Markusen, 1999 This collection presents a range of theoretical and disciplinary approaches to the subject of collective violence The distinguished contributors investigate the factors that contribute to the social context of violence and examine the ways of thinking that allow participation in harmful activities **Investigating Difference**, 2009 Investigating Difference examines the full range of individual differences across the entire criminal justice

system Moving beyond just race and gender it tackles differences based on experience age socio economic class disabilities and more Written by a variety of leaders in the field it looks at how these variances impact all people within the system including victims offenders and service providers This edition continues to emphasize positive solutions and includes new case in point illustrations that discuss how difference matters For anyone interested in the criminal justice system with regard to diversity and multicultural issues Prisons Help Sourcebook ,2004 Contains Dennis Sobin s memoir entitled *Doing Time in Waltz Time* *Social Justice* ,1998 *Black Popular Culture* Michele Wallace,1992 The latest publication in the award winning Discussions in Contemporary Culture series Black Popular Culture gathers together an extraordinary array of critics scholars and cultural producers 30 essays explore and debate current directions in film television music writing and other cultural forms as created by or with the participation of black artists 30 illustrations **Discussions in Contemporary Culture** Hal Foster,1992 Texts and transcripts from a series of weekly discussions sponsored by the Dia Art Foundation *Delinquency in Society* Robert M. Regoli,John D. Hewitt,1997 In this conversational jargon free text with its clear and thorough presentation of theories of delinquency Regoli and Hewitt make delinquency interesting to read about It is no encyclopedic compendium but a critical look at a very serious problem This edition is thoroughly updated to reflect the most current trends and developments In clear and accessible language the authors prepare their readers to understand all facets of delinquency including discussions of the history institutional context and societal reactions to delinquent behavior the major biological psychological and sociological theories of behavior and the variety of policy implications derived from those theories **Covertaction Quarterly** ,1997 **The Color of Social Policy** Betty Garcia,2004 *Holding Out for the Dream* Valerie Ann Johnson,1995 Selected Acquisitions List Indiana University. Libraries. Afro-American Studies Collection,1990 **Cultures of Darkness** Bryan D. Palmer,2000-11 Constructing a rich tapestry of example and experience spanning eight centuries Palmer s fascinating account details lives of exclusion and challenge as the night travels of the transgressors clash repeatedly with the powerful conventions of their times Nights of liberation and exhilarating desire are at the heart of this study but so too are the dangers cloaked in darkness Palmer reveals those hidden spaces where darkness concealed acts of brutalizing terror or alternately provided refuge solace or freedom Using the night as metaphor and unifying theme Palmer takes an unflinching look at those dissident or oppositional cultures and movements and shows how they were fueled and shaped by the rise and transformation of capitalism Book Jacket
