The Three Planeteers Edmond Hamilton,2011-10-07 From Earth Venus and Mercury three Musketeers of Space accompanied by a female D Artagnan rocket out in a grim battle against the League of the Cold Worlds ExcerptThey sauntered through the crowded krypton lit street bordering the great New York spaceport casually as though there was not a reward on their heads An Earthman a Venusian and a huge Mercurian looking merely like three ordinary space sailors in their soiled drab jackets and trousers But inwardly John Thorn the lean dark headed Earthman of the trio was queerly tense He felt the warning of that sixth sense which tells of being watched His brown hard chinned face showed nothing of what he felt and he was smiling as though telling some joke as he spoke to his two companions We re being followed he said I ve felt it since we left the spaceport I don t know who it is Sual Av the bald bow legged Venusian laughed merrily as though at a jest His bright green eyes glistened and there was a wide grin on his ugly froglike face The police he chuckled Gunner Welk the huge Mercurian growled in his throat His shock of yellow hair seemed to bristle on his head his massive face and cold blue

eyes hardening belligerently How in hell's name would the Earth police spot us so quickly after our arrival he muttered I don't think it's the police John Thorn said his black eyes still smiling casually Stop at the next corner and we'll see who passes us At the corner gleamed a luminous red sign THE CLUB OF WEARY SPACEMEN In and out of the vibration joint thus benevolently named were streaming dozens of the motley throng that jammed the blue lit street Reedy looking red Martians squat and surly Jovians hard bitten Earthmen sailors from all the eight inhabited worlds spewed up by the great spaceport nearby There were many naval officers and men too a few in the crimson of Mars the green of Venus and blue of Mercury but most of them in the gray uniform of the Earth Navy
