### **The Bad Guys: The 25 Most Incurable Imposters, Villains, and Killers Ever to Walk the Earth** Sarah

Dowdey, Deblina Chakraborty, 2012-11-19 A deep abiding passion for a modern day tyrant sociopath or fraud might be cause for concern among the newshound's friends and family. But let the story be strange enough and let enough time pass and suddenly the subject becomes obsession worthy something to share at trivia night to pore over at the library or as it turns out to recommend to us. Since starting our podcast *Stuff You Missed in History Class* listeners have written in to request countless villains tyrants and imposters representing all eras of history and all corners of the world. Sometimes the stories of these no good characters turn out to be worse than imagined like the nightmarish murders committed by the real Bluebeard Gilles de Rais. Other times though the villains revealed a surprisingly human side like the fierce female pirate Zheng Yi Sao's plans for a comfy retirement or master thief Adam Worth's deep devotion to his family and his code. This book pulls together the exploits of these historically bad and worse than bad figures into one collection arranged into chapters we thought made sense. You'll find tyrants like Caligula with conquerors like Tamerlane the questionably bad gangster Ma Barker grouped with mastermind mobster Al Capone and folk hero criminal D.B. Cooper paired up with the charmingly fraudulent Princess Caraboo. And if by the end you're not already losing sleep thanks to terrifying visions of the pirate Blackbeard with his beard alight we've included some bonus content on creepy hotels and mysterious hidden passageways to kick off your next research obsession. Enjoy Sarah and Deblina. *Everything I Know About Pirates*, 2000-05 A collection of made up facts about pirates

**Bad Guys and Gals of the High Seas** Dona Herweck Rice, 2013-01-15 Young readers can take a look at some of history's most well known criminals and what made them so notorious. Original. **The American Villain** Richard A. Hall, 2020-12-02 The *American Villain Encyclopedia of Bad Guys in Comics Film and Television* provides one go to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s pop culture has focused on what makes a villain a villain. The Joker Darth Vader and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally such bad guys as Angelus from *Buffy the Vampire Slayer* and Barnabas Collins from *Dark Shadows* have emphasized the desire for redemption in even the darkest of villains. Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil. The *American Villain Encyclopedia of Bad Guys in Comics Film and Television* seeks to collect all of those stories into one comprehensive volume. The volume opens with essays about villains in popular culture followed by 100 A-Z entries on the most notorious bad guys in film comics and more. Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various villains. A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad. **Bad Guys and Gals of the High Seas** Dona Herweck Rice, 2013-01-15 Arrr there matey!
