a storm for their chance to win the equivalent of a year's salary in the extraordinary Australian Women's Weekly cookery contest For two women in particular the prize could be life changing For war widow and single mum Ivy Quinn a win would mean more time to spend with her twelve year old son Raymond Mother of five Kathleen O Grady has no time for cooking competitions but the prize could offer her a different kind of life for herself and her children and the chance to control her own future As winter turns to spring both women begin to question their lives For Kathleen the grinding domesticity of her work as a wife and mother no longer seems enough while Ivy begins to realise she has the courage to make a difference for other women and tell the truth about the ghosts from her past But is it the competition prize that would give them a new way of seeing the world a chance to free themselves from society's expectation and change their own futures or is it the creativity and confidence it brings Praise for Victoria Purman Heart achingly raw yet filled with the beauty of the human spirit The Nurses War is a triumph that will linger in the heart and psyche Karen Brooks author of The Good Wife of Bath A richly crafted novel The Women's Pages graphically depicts life during those harrowing years A touching tale and an enthralling read Reader's Digest **P.
