

HOW TO MAKE :

Fantasy Place Names

LIST OF ELEMENTS

When people give a name to a village or a river or a mountain range, it usually has a meaning behind it. That might be a description of the place, a reference to the people living there, or something more reverant (referencing a god, for example). Use this list to make your own list of words for your world!

- River
- Cave
- Crossing
- Ditch
- Forest
- Woods
- Hill
- Lake
- Garden
- Gully
- Mountain
- Field
- Farm
- Spring
- Port
- Wharf
- Summit
- Stream
- Upland
- Brook
- Fort
- Village
- Camp
- Market
- Valley
- Clearing
- Cottage
- Rock
- Narrow
- Meadow
- Inlet
- Estate

Place Names Of The World

Richard R. Randall

Place Names Of The World:

Place Names of the World - Europe J. Everett-Heath, 2000-08-01 Place names are a window into the history and characteristics of a country Their names reflect the migrations of peoples their religious and cultural traditions local languages conquests and fortifications long since disappeared They also reflect the topography and industrial development of a place The text is ordered by country alphabetically The book will include a historical section putting the place name into context and references those events which have had an impact on the geography of a country and those foreign influences which have played a part in shaping the place name This volume is confined to the 38 countries of Europe together with Andorra Gibraltar Liechtenstein Malta Monaco San Marino Cyprus and the Vatican City All place names of cities and towns of particular importance and interest are included Detailed maps accompany the text to illustrate change and evolution

Place-names of the World Adrian Room, 1974-01-01 *Placenames of the World* Adrian Room, 1997 Presents the origins and meanings of geographical names **Place Names** Richard R. Randall, 2001-02-28 This book provides a comprehensive review of the dynamic field of geographic naming through the eyes of an expert it is a vital addition to any library's collection of up to date research materials After showing the political importance of place names for military and diplomatic reasons with special reference to U S experiences Randall concludes with a survey of name disputes and examines an assortment of unusual and controversial location names **The Concise Dictionary of World Place-Names** John

Everett-Heath, 2019-09-19 This unique and informative dictionary explores the history meanings and origin of place names around the world In over 11 000 entries it covers an enormous geographical range including continents countries islands cities mountains rivers and much more Key historical facts are incorporated into each entry as well as a record of the place name in the local language for an accurate and comprehensive account For this fifth edition 134 entirely new entries have been added including Byzantine Empire Lac qui Parle Nasr Sauk City and Yekaterinogradskaya Existing entries have also been fully updated to reflect recent socio political and geographical changes most notably in Eswatini and Northern Macedonia In addition to the entries themselves the dictionary contains invaluable supplementary content to support the text There is a glossary of foreign word elements which appear in place names as well as a list of personalities and leaders who have influenced the naming of places around the world *Placenames of the World* Adrian Room, 2024-10-17 A placename is often much more than just a label A name may bespeak the history of a nation the culture of a people or the hopes of an individual Such connections are revealed in this very large reference work on placenames of the world which offers an in depth look at the origins of each First published in 1997 this 2006 edition contains 6 000 entries natural features such as mountains rivers and lakes and human entities such as cities and countries Each entry includes the name of the feature a brief description and its geographical location and the origin of the name with relevant historical biographical and topographical details Appendices give the meanings of common elements of non English placenames e g Abu as in Abu Dhabi

means father of major placenames in European languages e g Pays Bas and Paesi Bassi are the French and Italian names respectively for what English speakers call the Netherlands and transcribed Chinese language equivalents for the names of the world s countries and capitals The Concise Dictionary of World Place-Names John Everett-Heath,2018-09-13 There is no populated place without a name and every name is chosen for a reason This fascinating dictionary unveils the etymological roots and history of thousands of locations and landmarks from around the world It contains over 11 000 entries and covers an enormous range of country region island city town mountain and river names from across the world as well as the name in the local language Place names are continually changing and new names are adopted for many different reasons such as invasion revolution and decolonization The Concise Dictionary of World Place Names includes selected former names and where appropriate some historical detail to explain the transition The names of places often offer a real insight into the places themselves revealing religious and cultural traditions the migration of peoples the ebb and flow of armies the presence of explorers local languages industrial developments and topography Superstition and legend can also play a part This new edition has been updated to include over 750 new names including Azincourt Kropyvnyts kyy and Tlaxcala It has also been edited to reflect socio political and geographical shifts notably the reorganisation of the French regions and their consequent name alterations as well as the decommunization of Ukrainian place names In addition to the entries themselves the dictionary includes two appendices a glossary of foreign word elements which appear in place names and their meanings and a list of personalities and leaders from all over the world who have influenced the naming of places *The Concise Oxford Dictionary of World Place Names* John Everett-Heath,2020 This dictionary explores the history meanings and origin of place names around the world It covers continents countries regions islands bays capes cities towns deserts lakes mountains and rivers giving the name in the local language as well as key historical facts associated with many place names The fifth edition includes two recent county name changes that of Swaziland to Eswatini and the final resolution of the long running dispute about the name of the Former Yugoslav Republic of Macedonia which has become Northern Macedonia In addition to the entries themselves the dictionary includes a glossary of foreign word elements which appear in place names and their meaning as well as a list of personalities and leaders who have influenced the naming of places around the world **The Concise Dictionary of World Place-names** John Everett-Heath,2005 Place names are continually changing especially during periods of political upheaval This brand new dictionary gives the history meanings and origin of an enormous range of country region island city and town names from across the world with details of former names as well as the name in the local language It also includes key historical facts associated with many place names Containing 10 000 entries this is a unique and fascinating guide for geographers travellers and all with an interest in current world affairs Mapping Place Names of India Anu Kapur,2019-03-01 This book is the first of its kind to chart the terrain of contemporary India s many place names It explores different place connections investigates how places are named and renamed and looks at the forces that are

remaking the future place name map of India Lucid and accessible this book explores the bonds between names places and people through a unique amalgamation of toponymy history mythology and political studies within a geographical expression This volume addresses questions on the status and value of place names their interpretation and classification It brings to the fore the connections between place names and the cultural geographical and historical significations they are associated with This will be an essential read for scholars and researchers of geography law politics history and sociology and will also be of interest to policy makers administrators and the common reader interested in India

African Placenames Adrian Room,2024-10-18 In this useful work detailing more than 2 500 African placenames of all types each entry identifies the country and in most cases geographical location within the country An account of the name s origin and meaning follows along with appropriate historical topographical and biological references Cross references provide former names alternate spellings and alternate forms of current names An introduction comprises a geographical summary a chronological survey of the exploration and colonization of Africa and an overview of African languages

Placenames of the World Adrian Room,2006 First published in 1997 the work in this new edition contains over 7 000 entries including 1 000 new placenames from previously under represented areas such as China and Japan Entries cover natural features as well as manmade entities Each entry includes the name of the feature a brief description and its geographical location and the origin of the name Provided by publisher

[A Guide to the Ancient World](#) Michael Grant,1986 This useful companion to classical history reveals the ancient world from Scotland to India and from Spain to the Black Sea through the numerous sites of its history and legends Covering nations provinces cities towns rivers seas straits mountains plains and battle sites the author describes about 900 historically significant places in Europe Asia and Africa
