Places Along The Way Meditations On The Journey Of Faith:

The Living Church ,1995 **Shopping Malls and Other Sacred Spaces** Jon Pahl,2008-12-29 Christian historian Sidney Mead has observed In America space has played the part that time has played in older cultures of the world In Shopping Malls and Other Sacred Spaces Jon Pahl examines this provocative statement in conversation with what he calls the spatial character of American theology He argues that places are always imaginatively constructed by the human beings who inhabit them Sometimes this spatial theology works to our benefit other times it poses spiritual risks What happens when our banal clothing of the sacred violates our genuine need for comfort and intimacy Or when we remember that the fleeting pleasures of a shopping trip or a Disneyland escape are designed to fill someone else's pocket rather than the spiritual emptiness in our own hearts Pahl develops several ways to clothe the divine from within the Christian tradition He introduces a theology of place that reveals aspects of God's character through biblical metaphors drawn from physical spaces such as the true vine the rock and the living water Accessible and thought provoking this enlightening book provides a better grasp of our particularly American way of lending religious significance to spaces of all kinds **The Publishers Weekly** ,1998 **Praying the Labyrinth** Jill Kimberly Hartwell Geoffrion,1999 Praying The Labyrinth is a journal that will lead the uninitiated seeker into a spiritual exercise of self discovery through scripture selections journaling questions poetry and space for personal reflection **Cumulative Book Index** ,1998 A world list of books in the English language **Covenant Companion** ,1997 **Places Along the Way** Martin E. Marty,1994 known author Martin Marty and award winning photographer Micah Marty combine their talents to produce a book of meditations that draws the reader in and encourages deep spiritual reflection Each of the 47 meditations can be used as part of a Lenten pilgrimage or for reflection throughout the year *Index to Book Reviews in Religion* ,1996 Subject Guide to Books in Print ,2001 **Contemplations and meditations on the passion and death of ... Jesus Christ, according to the method of saint Ignatius, tr. from [Méditations selon la méthode de st Ignace] by a sister of mercy, revised by a priest [F. Hathaway].** Frederick Hathaway,1881 **Whitaker's Books in Print** ,1998 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *Shaping the Church* Martyn Percy,2010 Shaping the Church seeks to dynamically alter the way that theologians ecclesiologists students of religion and ministers look at the church Taking the ideas of composition formation and vocation as basic ecclesial categories Martyn Percy explores how apparently innocent and incidental material is in fact highly significant for the shaping of theological and ecclesiological horizons The Introduction sets the tone with a meditation on how the apparently ordinary scent of a country church can be redolent with meaning setting the tone of expectation in relation to subsequent worship This book is not however simply about reading meanings into events ideas conversations and contexts Rather it sets out to faithfully interpret much of the material that surrounds us yet is often taken for granted or more usually unnoticed The book is an invitation to involve the scholar or minister paying close and patient attention to beliefs language

artefacts rituals practices and other material all of which are constitutive for ecclesial life and theological identity
