Plain Sight:

Engineering in Plain Sight Grady Hillhouse, 2022-11-01 *Engineering in Plain Sight* is a beautifully illustrated field guide with accessible explanations to nearly every part of the constructed world around us. Author Grady Hillhouse is the creator behind the popular YouTube channel Practical Engineering over 3 million subscribers and this book is essentially 50 new episodes crammed between two covers. *Engineering in Plain Sight* extends the field guide genre from natural phenomena to human made structures making them approachable and understandable to non engineers. It transforms readers perspectives of the built environment converting the act of looking at infrastructure from a mundane inevitability into an everyday diversion and joy. Each section of this accessible informative book features colorful illustrations revealing the fascinating details of how the human made world works. An ideal road trip companion this book offers a fresh perspective on the parts of the environment that often blend into the background. Readers will learn to identify characteristics of the electrical grid, roadways, railways, bridges, tunnels, waterways and more. *Engineering in Plain Sight* inspires curiosity, interest and engagement in how the infrastructure around us is designed and constructed. **Hide in Plain Sight** Alan

Annand, 2011-05-12 A man assumes the identity of his dead twin brother in order to alibi his guilty wife. **Advent in Plain Sight** Jill J. Duffield, 2021-09-14 At Christmas God came into our ordinary world in the form of a child and still today God is at work through the ordinary stuff of life if we train our eyes to see. In this daily devotional for Advent, Christmas and Epiphany, Jill J. Duffield draws readers attention to ten ordinary objects that appear in the biblical narratives of messianic prophesy and incarnation: objects we encounter in our own lives. Through objects such as gates, trees, cloth, light and water, readers will find new meaning in the biblical account of Jesus coming. By connecting everyday objects with biblical texts, *Advent in Plain Sight* prompts readers to see the near kingdom of heaven on earth and ponder what that divine proximity enables and asks them to do and be. Each daily devotional features a Scripture reading, prayer and reflection, reminding Christians that God still dwells among us even in the most ordinary places. **Relics of War** Jennifer Raab, 2024-09-10 How a single haunting image tells a story about violence, mourning and memory. In 1865 Clara Barton traveled to the site of the notorious Confederate prison camp in Andersonville, Georgia, where she endeavored to name the missing and the dead. The future founder of the American Red Cross also collected their relics: whittled spoons, woven reed plates, a piece from the prison's dead line, a tattered Bible and brought them back to her Missing Soldiers Office in Washington, DC, presenting them to politicians, journalists and veterans' families before having them photographed together in an altar-like arrangement. *Relics of War* reveals how this powerful image produced by Mathew Brady opens a window into the volatile relationship between suffering, martyrdom and justice in the wake of the Civil War. Jennifer Raab shows how this photograph was a crucial part of Barton's efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which bodies were rarely returned home for burial. The Andersonville relics gave form to these absent bodies, offered a sacred site for grief and devotion.

mounted an appeal on behalf of the women and children left behind and testified to the crimes of war The story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of Black soldiers and communities were silenced Richly illustrated Relics of War vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory Pour Me out a Blessing Ministries Deborah Wofford,2010-10-13 There is no available information at this time *Federal Register* ,1985-07-22
