Plain Style A Guide To Written English:

Plain Style Christopher Lasch, 2025-05-13 Plain Style is an amusing and instructive guide to written English by the late Christopher Lasch author of The Culture of Narcissism The True and Only Heaven and many other memorable works of American history and social criticism Written for the benefit of the students at the University of Rochester where Lasch taught from 1970 until his death in 1994 it quickly established itself in typescript as a local classic a lively witty and historically minded alternative to the famous volume by William Strunk and E B White The Elements of Style Now available for the first time in published form Plain Style is fundamentally a clear readable practical guide to the timeless principles of effective composition At the same time however in ways that Stewart Weaver explains in his critical introduction it is a distinctive and revealing addition to the published work of an eminent American thinker No mere primer Plain Style is an essay in cultural criticism a political treatise even by one for whom directness clarity and honesty of expression were essential to the living spirit of democracy As the teachers and students who have for years benefited from its succinct wisdom will testify Plain Style is an indispensable guide to writing and indeed Christopher Lasch's least expected but perhaps most serviceable work

Legal Writing in Plain English, Third Edition Bryan A. Garner, 2023-09-06 The leading guide to clear writing StartFragment and clear thinking StartFragment in the legal profession for more than two decades now newly updated Admirably clear concise down to earth and powerful all too often legal writing embodies none of these qualities Its reputation for obscurity and needless legalese is widespread Since 2001 Bryan A Garner's Legal Writing in Plain English has helped address this problem by providing lawyers judges paralegals law students and legal scholars with sound advice and practical tools for improving their written work Now the leading guide to clear writing in the field this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process how to organize ideas create and refine prose and improve editing skills Accessible and witty Legal Writing in Plain English draws on real life writing samples that Garner has gathered through decades of teaching experience Trenchant advice covers all types of legal materials from analytical and persuasive writing to legal drafting and the book's principles are reinforced by sets of basic intermediate and advanced exercises in each section For this third edition Garner has retained the structure of the previous versions with updates and new material throughout There are new sections on making your writing vivid and concrete and on using graphics to enhance your argument The coverage and examples of key topics such as achieving parallelism avoiding legalese writing effective openers and summaries and weaving quotations into your text have also been expanded And the sample legal documents and exercises have been updated while newly added checklists provide quick summaries of each section Altogether this new edition will be the most useful yet for legal professionals and students seeking to improve their prose
