Plains Of Passaged Signed:

The Plains of Passage (with Bonus Content) Jean M. Auel, 2010-10-06 Ayla the heroine first introduced in *The Clan of the Cave Bear* is known and loved by millions of readers. Now in *The Plains of Passage* Ayla's story continues. Ayla and Jondalar set out on horseback across the windswept grasslands of Ice Age Europe. To the hunter-gatherers of their world, who have never seen tame animals, Ayla and Jondalar appear enigmatic and frightening. The mystery surrounding the woman who speaks with a strange accent and talks to animals with their own sounds is heightened by her uncanny control of a large powerful wolf. The tall yellow-haired man who rides by her side is also held in awe, not only for the magnificent stallion he commands but also for his skill as a crafter of stone tools and for the new weapon he devises, the spear-thrower. In the course of their cross-continental odyssey, Ayla and Jondalar encounter both savage enemies and brave friends. Together they learn that the vast and unknown world can be difficult and treacherous but breathtakingly beautiful and enlightening as well. All the pain and pleasure bring them closer to their ultimate destination for the orphaned Ayla and the wandering Jondalar must reach that place on earth they can call home. As sweeping and spectacular as the land she creates, Jean M. Auel's *The Plains of Passage* is an astonishing novel of discovery, danger, and love, a triumph for one of the world's most original and popular authors. This eBook includes the full text of the novel plus the following additional content: An *Earth's Children* series sampler including free chapters from the other books in Jean M. Auel's bestselling series; A Q&A with the author about the *Earth's Children* series.

Hidden in Plain Sight Mark Davidson, 2012 *Hidden in Plain Sight* is a book about Bible end-times prophecy, but it is not typical. Starting with the assumption that the Antichrist may turn out to be a Muslim and not a Roman, the book uses historical sources to show that Bible prophecy actually argues for a Muslim Antichrist. Then using this new way of looking at prophecy, this book explores several Bible passages revealing a series of events that must take place before the Tribulation. Where the Bible was thought to be silent about the years leading up to the Tribulation, it actually has much to say.
