Tour Dates Morning Routine Usa:

The Indomitable Ashish Karwasra, Ashish s muscular dystrophy has diminished his mobility and in a few short years it would leave him to lead a life on wheelchair Before it would happen would he find some meaning for his life Apoorva an energetic girl from a small town wants to do something big in her life All that matters for her is to fulfil her dreams When they meet they get to know each other and eventually fall for each other How will they face the harsh reality of life How much strength does one need to stay strong after every storm of life
