

The Second Creation Story

- 
- A detailed view of the central portion of Michelangelo's famous fresco, 'The Creation of Adam'. It focuses on the two hands reaching toward each other: the hand of God on the right, extended from a reclining position, and the hand of Adam on the left, reaching out from a similar reclining pose. The fingers are just inches apart, creating a sense of tension and divine spark. The background is the cracked and aged texture of the original plaster.
- Genesis 2: 4-25.
 - Genesis 2 – 3 are believed to be derived from the “J – Source” or the “Yahwistic writer.”
 - It begins with the words, “This is the account of the heavens and the earth when they were created, when the Lord God made the earth and the heavens.” (v. 4)

Second Creation:

Covenants, Creation and Choice, Second Edition Geoff Hawley, Dr. Michael Fitch, 2013-11-11 Have you ever wondered how we got here and why we are here Do you believe that the universe and life on Earth came about through creation by a master designer or do you still believe in the process of evolution Do you know that God works through covenants God has a covenant relationship with His creation It is essential to know about covenants in order to understand God's desire that we become more intimate with Him Taken together this study of covenants and creation provides compelling spiritual and scientific evidence that the universe was created exactly as described in the Bible Many of the questions and arguments about creation and evolution are also covered in this book We hope that it will enable you to make a more informed choice about what to believe because what you believe has eternal consequences *Progressive Creation and the Struggles of Humanity in the Bible* Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission *A History of Theory and Method in the Study of Religion and Dance* Kimerer L. LaMothe, 2018-10-22 The relationship between religion and dance is as old as humankind Contemporary methods for studying this relationship date back a century The difference between these two time frames is significant scholars are still developing theories and methods capable of illuminating this vast history that take account of their limited place within it *A History of Theory and Method in the Study of Religion and Dance* takes on a primary challenge of doing so overcoming a conceptual dichotomy between religion and dance forged in the colonial era that justified western Christian hostility towards dance traditions across six continents over six centuries Beginning with its enlightenment roots LaMothe narrates a selective history of this dichotomy revealing its ongoing work in separating dance studies from religious studies Turning to the Bushmen of the African Kalahari LaMothe introduces an ecokinetic approach that provides scholars with conceptual resources for mapping the generative interdependence of phenomena that appear as dance and or religion **Closure in Biblical Narrative** Susan Zeelander, 2011-12-23 Multiple and sometimes unexpected forms of closure in biblical narratives bring their stories to satisfactory close Knowledge of these conventions and how they affect their stories is valuable to
