What Do You Believe? Michelle Brignone, 2025-03-18 Almost 80 percent of Americans say they believe in God with most religions teaching peace love and understanding yet crime lies hate racism misogyny discrimination and violence all seem to be reaching pandemic proportions Maybe we don't believe what we think we do There is a disconnect between our actions and what we say we believe and it's tearing us apart Society cannot afford for this disconnect to continue Either we don't know what we truly believe or we just don't care anymore I am an optimist and hoping the answer is people don't really know or don't remember what their true beliefs are What Do You Believe does not tell people what to believe it merely asks questions to encourage readers to figure out for themselves what exactly they believe and why they believe it It then asks readers to consider how their beliefs influence or not their actions to help readers bring their actions and beliefs into harmony *A Killer App* A. E. H. Veenan, 2018-12-25 Defense attorney Isis Ferrelli has her latest case with the death of the nation's Pop Queen of Bling Bling But how does Isis's Christmas present coincide with Anita K Pop's death Perhaps a popular app can download answers and uncover a killer Retired mechanic Jedemiah Briggs desperately tries to overcome cash flow problems by freelancing for the app based company WeBuy It seems his problems are over until police find his client strangled in her hotel room Isis doesn't believe for a second her neighbor's guilty of the crime She suspects Uncle Lou has reappeared after receiving an anonymous package on her doorstep and later learning someone broke into Jed's home It takes every resource at her disposal to clear Jed's good name which isn't going to be easy Not only does he miraculously afford to buy an expensive car but he also has the only incriminating evidence linked to the homicide *The Best Horror of the Year* Ellen Datlow, 2019-09-03 For more than three decades Ellen Datlow has been at the center of horror Bringing you the most frightening and terrifying stories Datlow always has her finger on the pulse of what horror readers crave Now with the eleventh volume of the series Datlow is back again to bring you the stories that will keep you up at night Encompassed in the pages of *The Best Horror of the Year* have been such illustrious writers as Neil Gaiman Kim Stanley Robinson Stephen King Linda Nagata Laird Barron Margo Lanagan And many others With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light

creates its own shadows The Best Horror of the Year chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers **Life Lessons from Slasher Films**

Jessica Robinson,2012-06-07 Horror and slasher films are often dismissed for their apparent lack of sophistication and dearth of redeemable values However despite criticism from film snobs who turn up their noses and moralists who look down upon the genre slasher films are more than just movies filled with gory mayhem Such films can actually serve a purpose and offer their audiences something more than split skulls and severed heads In Life Lessons from Slasher Films Jessica Robinson looks at representative works that have been scaring audiences for decades from Alfred Hitchcock s seminal shocker Psycho to the cult classic Black Christmas and iconic thrillers like The Texas Chainsaw Massacre Halloween Friday the 13th and Scream In this book Robinson examines common themes that have emerged in these films their various sequels and countless imitators a maniacal and seemingly indestructible executioner sexual encounters that invariably lead to death increasingly gruesome ways to slaughter helpless victims and a lone female survivor who finds a way to vanquish the killer and looks beyond such tropes for what these films can teach us about life From practical advice listen to your elders to moral platitudes teens never learn each chapter considers a different lesson that these films teach Robinson discusses how the events portrayed in slasher films can resonate with viewers and perhaps offer constructive advice on how to conduct our lives A fun read for fans and scholars alike Life Lessons from Slasher Films offers an entertaining and persuasive look at how life can imitate art and what art can say about life **St. Nicholas** Mary Mapes Dodge,1896 The Devil and Devon Sparks
