*Sexual Abuse of Children and Adolescents* William E. Prendergast,1996 In this his third volume Dr Prendergast focuses on preventing the sexual abuse of so many of our young children and adolescents After 34 years of experience in the cesspool of sexual offenses he is convinced that naivete denial and complacency by not only the children adolescents but by adults as well are essential factors in these abuses and that the sexual predator utilizes these elements to successfully achieve his or her perverted needs Prendergast's proposed solution is knowledge for all concerned He presents a thorough understanding

of the makeup of the sexual predator the personality traits of the ideal victims the needs and reasoning of children and adolescents the opportunities and locations of sexual molestations and the mistakes that parents teachers religious leaders and even professional counselors make Through this knowledge Prendergast maintains that at least 90 percent of seductive molestations can be prevented and a smaller but significant percentage of assaultive molestations can be avoided as well
