Secrets Of Golf:

The Secret of Golf Joe Posnanski, 2016-06-28 From one of the best sportswriters in America The Washington Times the New York Times bestselling story of the friendship and rivalry between golf legends Tom Watson and Jack Nicklaus whose sparring matches defined the sport for more than a decade The first time they met at an exhibition match in 1967 Tom Watson was a seventeen year old high school student and Jack Nicklaus at twenty seven was already the greatest golfer in the world Though they shared some similarities they were both Midwestern boys who had learned how to play golf at their fathers country clubs they differed in many ways Nicklaus played a game of consummate control and precision Watson hit the ball all over the place Nicklaus lacked charm and theatrics and he was thoroughly despised by most golf fans because he had displaced Arnold Palmer as king of the golf world Watson was one of those Arnold Palmer fans Yet over the next twenty years their seemingly divergent paths collided as they battled against each other again and again for a place at the top of the sport and drove each other to ever soaring heights of accomplishment Spanning from that first match through the Duel in the Sun at Turnberry in 1977 to Watson s miraculous near victory at Turnberry as he approached sixty and informed by interviews with both players over many years The Secret of Golf is Joe Posnanski s intimate account of the most remarkable rivalry and eventual friendship in modern golf
