## Service Four One Act Plays:

*The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07  
More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries. Genesis of an American Playwright Horton Foote, 2004  
Besides *To Kill A Mockingbird* and *The Trip To Bountiful* Foote has written a score of notable plays, teleplays and films.

Third Series** Library of Congress. Copyright Office, 1968. Selected One-act Plays of Horton Foote Horton Foote, 1989. This volume brings together seventeen one act plays by the distinguished American playwright and screenwriter Horton Foote. Like his acclaimed *Orphans*, *Home*, *Cycle*, these one act plays are about the men and women of Harrison, Texas, a quiet farming town turned bedroom community. In neighboring Houston, Harrison is a place in transition where the old ways are fast being replaced by a new order whose values are money and professional success. Against this backdrop of change, Horton Foote tells tales of grief and rebirth, despair and healing, going away and coming home. The first eight plays in this volume were presented on television between 1952 and 1954 at the height of the Golden Age which saw Foote, Paddy Chayevsky and others achieve national recognition for the memorable work presented on Playhouse 90, Philco Television Playhouse and other pioneering showcases of serious drama. The nine plays which complete this collection were first produced on stage some three decades later, decades which saw Foote win new acclaim as author of two Academy Award winning screenplays, *To Kill a Mockingbird* and *Tender Mercies*, and the Oscar nominated *The Trip to Bountiful*. Though linked to Foote's earlier work, these nine plays of the late seventies and the eighties are marked as well by revealing dissimilarities. The subtle evolution of style and theme in the playwright's work is explored by Gerald C. Wood in his insightful introduction and headnotes to the plays. Foote's own fascinating comments on his continuing commitment to the one act form preface this invaluable collection.
