ISG 47: Christianity Worldwide 1800 to 2000 Jehu Hanciles, 2021-12-16 In 1800 most Christians lived in Europe or North America but by 2000 they came from Africa Asia Latin America and Oceania ISG 47 Christianity Worldwide 1800 2000 brings together voices from around the world to explore how Christianity grew and developed in the nineteenth and twentieth centuries Writers and theologians from each region of the globe lay out the history of Christianity between 1800 and 2000 in their part of the world showing how repeatedly it was local believers who drove the changes in those centuries both in sharing faith and adapting it to their particular culture a Chinese Bible translator Liberian prophet or Korean Bible woman is as significant as a British missionary or Italian pope These histories include not only the wide range of European founded denominations but also regional innovations across the globe and particularly Pentecostalism to give a comprehensive overview of Christianity s development worldwide from the 1800s through to the end of the twentieth century Tracing connections and themes across continents ISG 47 Christianity Worldwide 1800 2000 is ideal for students of theology and history learning about the development of Christianity around the globe especially in the global south Part of the SPCK International Study Guide series it will leave you with a thorough understanding of how Christianity has changed and grown across the world over the last two centuries Short History of the Catholic Church J. Derek Holmes, Bernard

Bickers, 2002-08-05 This revised edition of a one volume history of the Roman Catholic church includes a final chapter giving an impressionistic account of some of the issues facing the Church as it nears the third millennium of its existence It also covers the Christian history of the first two millennia from the origins of the Church in New Testament times through to the year 2000

Church History: The first advance, AD 29-500 John Foster, 1972 John Foster s lively studies in Church History are well known to readers in many countries The First Advance fifth title in the TEF study Guide series is Book 1 of a three part account of the Church s expansion from Jerusalem to the end of the earth The main emphasis is on people rather than policies or polemics with vivid descriptions of Christians in the first five centuries persevering under persecution and carrying their faith east and south into Asia and Africa as well as westward into Europe Planned as a classroom text with study questions and discussion topics maps charts and suggestions for further reading the book also contains substantial verbatim quotations from original sources It will thus be specially useful for theological students working alone or without access to a library while its lucid style and straightforward language will be acceptable to the general reader This second volume follows the same lines as the first tracing the rise and fall of the Church s fortunes through the thousand years of uncertainty from the time when barbarian and Arab invasions toppled the power of Rome to Christendom s loss of Constantinople and the subsequent opening of a new age of discovery and learning Again the main emphasis is on people

popes and potentates monks and missionaries and on the ideas and ambitions motivating the medieval Church in its efforts to establish Augustine's Holy city on earth As before copious quotations from original sources as well as detailed maps charts and photographs of contemporary Christian life support the study questions and discussion topics which are a feature of the series as a whole Publisher **Setting the Record Straight** Hany Longwe, 2021-05-17 Kusadziwa Nkufa Komwe Lack of Knowledge is as Being Dead is a Nyanja maxim African Philosophy that is true the world over A person who lacks knowledge is as good as dead inactive and insensitive A dead person does not contribute to good life Lack of knowledge leads to destruction but having knowledge leads to informed decisions and freedom Setting the Record Straight is about correction wrong understanding and replacing it with liberating knowledge to the benefit of both church and society **River of God** Douglas D.
