Seven Steps for Judging Prophecy Kenneth Hagin, 2023-02-02      **Seven Steps for Judging Prophecy** Kenneth E. Hagin, 1982 In *Seven Steps for Judging Prophecy* discover how a Christian even a new believer can learn to sort out the few genuine prophets of God from the many false and judge their prophecies in the light of the Word of God      **Perspectives in Pentecostal Eschatologies** Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right      **The Facts on the Faith Movement** John Ankerberg, John Weldon, 2011-04-22 The growing much publicized Faith Movement has captured literally millions of Christians with its seductive claims Christians are offered health wealth and prosperity if they say the right things and have the right frame of mind but is it biblical Authors answer key questions about the Movement its leaders What are the basic teachings of the Faith Movement How powerful is the Faith Movement why has it been so successful What characteristics of the Faith Movement concern people Do the Faith teachers misinterpret Scripture This book carefully separates fact from fiction regarding the Faith Movement s disturbing presence in Christianity      Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis 21st Century* exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas      Seven Things You Should Know about Divine Healing Kenneth E.
