AND A RELEASE FROM ALCOHOLISM AND DRUG ADDICTION AND BY GOD S DIRECTIVE THEY MUST FULFILL YOUR
REQUEST For centuries man has sought to reach out to God s servants and messengers in a real world palpable way that
leaves no room for spiritual doubt In the time of Queen Elizabeth I in England world famous occultist Dr John Dee and his
helper Edward Kelley developed a system for contacting angels that came to be called Enochian Magick Dee s system has
survived the centuries and been passed down to us ANGEL SPELLS THE ENOCHIAN OCCULT WORKBOOK OF CHARMS
SEALS TALISMANS AND CIPHERS offers the reader a history lesson on Dee s method for contacting angels including its
origins in the Jewish and Christian mystical traditions The book includes an exclusive interview with author Aaron Leitch who
still practices Dee s methods over 400 years later For those not quite ready to dive into the more complex aspects of
Enochian Angel magick simpler but just as effective methods are taught here by psychic Maria D Andrea who provides step
by step instructions to petition specific angels for help with any problem large or small A dozen talismans created by Ms D
Andrea are provided each corresponding with a different Arch Angel And as a bonus supplement we have included Bishop
Allen Greenfield s classic work SECRET CIPHER OF THE UFONAUTS to assist in contacting angelic aliens in their own
language and to aid in decoding what they have spoken to us This fascinating work includes all the talismans and symbols
and ciphers you need to set up your own angel altar so that you may proceed with contacting the celestial kingdom in an

programs during my childhood in the 1970s and early 1980s and my close encounters I had with some extra terrestrials races
who took me onboard their vehicles and they would give me tours and explain how their vehicles work This book describes
how UFO propulsion systems actually work where the extra terrestrials use field propulsion systems to produce levitation
and bend space and time around their vehicles so they vehicles can enter in hyperspace and travel vast distances in a short
space of time Due to the my childhood memories have degraded with time I have managed to fill in the gaps by spending
years studying numerous UFO books magazines and TV documentaries where I have managed to piece together a good
picture on how UFO propulsion systems work In this book I will also describe the interior of the triangular shaped UFOs
which have been more common than the old fashioned saucer shaped vehicles This short book is packed with facts and useful

information on how UFOs work and the technologies possessed by their occupants and if you enjoy reading UFO books you will find this book answers many unsolved questions on how UFOs work This book describes how a mysterious Nazi secret weapon called the Die Glocke device works and this book also explores the Philadelphia experiment and the Montauk project which was the inspiration of the popular sci fi TV series on Netflix called Stranger Things Book Contents The Dark Frontier My Close Encounters Die Glocke Device Field Propulsion Systems German Secret Space Programs Nazi Secret Underground Bases Alien Alchemy UFOs Magnetic Fields Triangular Shaped UFOs The Philadelphia Experiment The Montauk Project Summery

Men in Black Gray Barker, Andrew Colvin, Allen Greenfield, Nick Redfern, 2012-01-02 New Saucerian is proud to present *Men in Black The Secret Terror Among Us* one of the last major works by West Virginia author Gray Barker a legendary figure in the history of ufology In many respects this is the sequel to his earlier bestsellers *They Knew Too Much About Flying Saucers* a chronicle of the harassment faced by early UFO researchers and *The Silver Bridge* Barker's on the scene investigation of the Mothman events of the 1960s Since Barker died only a year after the release of *MIB Secret Terror* it was not widely distributed As such it became enormously rare and expensive Now for the first time it has been made available to the general public Barker was the first researcher to coin the term *Men in Black* in the 1950s Along with John Keel author of *The Mothman Prophecies* Barker was responsible for making the subject famous As a publisher and author Barker popularized several classic parapolitical tales such as the Flatwoods Monster saga the Roswell Incident the Philadelphia Experiment and the Maury Island Affair *MIB Secret Terror* is thus an undiscovered gem for folklorists UFO buffs Fortean cryptozoologists and conspiracy theorists alike the grand final statement from a master of many genres Within these pages Barker ties together many of the shadowy threads exposed during his years as editor of *Saucer News* and *Saucerian Press* Penned after the release of top secret CIA and FBI files in the late 1970s it constitutes a seasoned overview of the issues involved In this taut sober and enlightening tale the reader can sense what was really happening behind the scenes of ufology in West Virginia Ohio and other parts of the country Due to the inherent penalties for revealing national security secrets which the MIB seemed determined to prevent this work is filled with hidden symbolic clues For those who can read between the lines this may be Barker's best book ever This special 2014 edition features introductions by noted paranormal researchers Andy Colvin Adam Gorightly Allen Greenfield and Nick Redfern as well as extended original passages from trailblazing ufologists John Keel and Jim Moseley My ufological hero Deserves to be read by one and all Greg Bishop editor of *The Excluded Middle* Without Gray there would be no *Men in Black* mystery Nick Redfern author of *Memoirs of a Monster Hunter* and *On the Trail of the Saucer Spies* Complex and intelligent Be very careful John Keel author of *The Mothman Prophecies* and *The Eighth Tower* A breath of fresh air Well written sometimes humorous always entertaining Pivotal in defining the flying saucer mythos Adam Gorightly author of *Shadow Over Santa Susana* *Black Magic* *Mind Control* the Manson Family Mythos One of the leading lights of classic four dimensional saucering Jim Moseley author of *Shockingly*

Close to the Truth Confessions of a Grave Robbing Ufologist Captures the emotional mood gothic imagery and sheer dreamlike weirdness of the Men in Black even better than The Mothman Prophecies Allen Greenfield author Secret Cipher of the UFOonauts and Secret Rituals of the Men in Black Transcendent meaningful and artistic Andy Colvin author The Mothman's Photographer and The Mothman Speaks
