Secret Papers From British Royal Archives:

Pan-Islam in British Indian Politics M. Naeem Qureshi, 1999 This book deals with the Khilafat movement 1918-1924 in British India which aimed at mobilizing pan-Islam for saving Ottoman Turkey from dismemberment and securing political reforms for India. It also examines the gradual transition of Muslim politics from pan-Islam to territorial nationalism.

Secret Papers from British Royal Archives Pran Nath Chopra, 1998 Selected documents about India during 1857-1935

Sources in British Political History, 1900-1951 C. Cook, P. Jones, J. Sinclair, Jeffrey Weeks, 2015-12-30 From 1970 to 1977 a major project to uncover source material for students of contemporary British history and politics was undertaken at the British Library of Political and Economic Science. Financed by the Social Science Research Council and under the direction of Dr Chris Cook, this project has attempted a unique and systematic operation to locate and then to make readily available those archives that provide the indispensable source material for the contemporary historian. This volume, the fifth in the series, provides a guide to the papers of propagandists who were influential in British public life. Included in this volume are the papers of such persons as newspaper editors, leading economists, social reformers, socialist thinkers, trade unionists, industrialists, and a variety of theologians and philanthropists. In all, this volume not only completes the findings of the project but opens up the archive sources of a hitherto neglected area of research into contemporary social and political history.

Windsor - Coburg Franz Bosbach, John R. Davis, 2012-03-12 Band 25 der Reihe dokumentiert die Beiträge der Tagung Geteilter Nachlass: Gemeinsames Erbe: Eine Dynastie und ihre Sammlungen in Windsor und Coburg, die 2006 in Coburg stattfand.

Britain's First Labour Government J. Shepherd, K. Laybourn, 2006-10-27 This volume is the first major account for nearly fifty years to critically reassess Labour's first period in office in terms of domestic, foreign, and imperial policy. It draws on a wide range of private papers and official sources and reconstructs the history of this forgotten government in the broader social and political context of the 1920s.

Archives Christopher Kitching, C. J. Kitching, 1996 Britain's archives are a rich resource and a part of our heritage of which the nation can be justly proud. This book explores and illustrates their profusion and diversity and, in particular, the partnerships between owners, custodians, and users which have opened up to public study an ever-expanding wealth of historical records. The book will interest all who use archives, whether professionally or as a leisure pursuit, and indeed all who have wondered why we have record offices and what happens in a repository.

Parliamentary Papers Great Britain. Parliament. House of Commons, 1919 *Die radikale Herausforderung* Andreas Rödder, 2002 Die englischen Konservativen des mittleren 19. Jahrhunderts geben Rückmeldung auf die Frage, wie kam es, dass sie 1867 eine Wahlrechtsreform durchsetzten, die sogar weiterging als die Forderungen der Reformliberalen. Und was machte in der Umwälzungsphase zwischen ländlicher Gesellschaft und Industrienation ihren spezifisch konservativen Charakter aus. In dieser Studie analysiert der Autor die wichtigsten Grundlagen des konservativen politischen Denkens und zeigt an Fallbeispielen auf, was sie für das konkrete politische Handeln bedeuteten. So gelingt es ihm, den englischen

Konservatismus als vor allem anti radikalen und zivilgesellschaftlich orientierten Radikal Konservatismus zu begreifen Die Wahlrechtsreform war in diesem Zusammenhang eine Vorw rtsverteidigung um durch eine Demokratisierung der bestehenden Verh ltnisse eine echte Demokratie zu verhindern
