Willis Barnstone

# Secret Reader 501 Sonnets

**DP Hallahan**

## **Secret Reader 501 Sonnets:**

*The Poems of Mao Zedong* Zedong Mao, 2008-06-14 Mao Zedong leader of the revolution and absolute chairman of the People's Republic of China was also a calligrapher and a poet of extraordinary grace and eloquent simplicity The poems in this beautiful edition from the 1963 Beijing edition translated and introduced by Willis Barnstone are expressions of decades of struggle the painful loss of his first wife his hope for a new China and his ultimate victory over the Nationalist forces Willis Barnstone's introduction his short biography of Mao and brief history of the revolution and his notes on Chinese versification all combine to enrich the Western reader's understanding of Mao's poetry      **Sonnets to Orpheus** Rainer Maria

Rilke, 2004-12-07 Written during an astonishing outburst of creativity during a period of only two weeks in February 1922 Rilke's *Sonnets to Orpheus* is one of the great poetic works of the twentieth century Willis Barnstone brings these striking poems into English with an approach honed through years of work on the philosophy of translation about which he has written extensively This dual language edition allows readers to compare versions face to face to get a clear sense of the nuances of the translation Also included is an extensive introduction from the translator that offers a biographical sketch of Rilke and reflects upon the ever present tension between the poet's passion for life romance and adventure and his yearning for the solitude he desperately needed to dedicate himself fully to his art      **The Complete Poems of Sappho** Willis

Barnstone, 2009-03-10 A vivid contemporary translation of the greatest Greek love poet with a wealth of materials for understanding her work by a prize winning poet and translator Sappho's thrilling lyric verse has been unremittingly popular for more than 2 600 years certainly a record for poetry of any kind and love for her art only increases as time goes on Though her extant work consists only of a collection of fragments and a handful of complete poems her mystique endures to be discovered anew by each generation and to inspire new efforts at bringing the spirit of her Greek words faithfully into English In the past translators have taken two basic approaches to Sappho either very literally translating only the words in the fragments or taking the liberty of reconstructing the missing parts Willis Barnstone has taken a middle course in which he remains faithful to the words of the fragments only very judiciously filling in a word or phrase in cases where the meaning is obvious This edition includes extensive notes and a special section of Testimonia appreciations of Sappho in the words of ancient writers from Plato to Plutarch Also included are a glossary of all the figures mentioned in the poems and suggestions for further reading      *The Secret Reader* Willis Barnstone, 1996 I am captivated by these sonnets The free movement of

consciousness the mind operating in the universe Here is are and cunning form and ruthless honesty Gerald Stern A valuable accomplishment a remarkable modernist testament Edward Hirsch      **Six Masters of the Spanish Sonnet** Willis

Barnstone, 1997 With poems selected and translated by one of the preeminent translators of our day this bilingual collection of 112 sonnets by six Spanish language masters of the form ranges in time from the seventeenth to the twentieth centuries and includes the works of poets from Spanish America as well as poets native to Spain Willis Barnstone's selection of sonnets

and the extensive historical and biographical background he supplies serve as a compelling survey of Spanish language poetry that should be of interest both to lovers of poetry in general and to scholars of Spanish language literature in particular Following an introductory examination of the arrival of the sonnet in Spain and of that nation's poetry up to Francisco de Quevedo Barnstone takes up his six masters in chronological turn preceding each with an essay that not only presents the sonneteer under discussion but also continues the carefully delineated history of Spanish language poetry Consistently engaging and informative and never dull or pedantic these essays stand alone as appreciations in the finest sense of that word of some of the greatest poets ever to write It is however Barnstone's subtle musical clear and concise translations that form the heart of this collection As Barnstone himself says In many ways all my life has been some kind of preparation for this volume

**The Poems of Jesus Christ**, 2012-03-26 The words of Jesus Christ are restored to their original poetic form in this extraordinary volume Jesus Christ whose teachings have been on the lips of millions for two millennia is revealed here as one of the greatest poets of all time What happened to deafen us to the poetic nature of his words In migrating from Aramaic speech into written Greek translation and later into English translation the lyrics got locked up as prose In *The Poems of Jesus Christ* Willis Barnstone unveils the essential poetry of the Gospels by taking the direct speech of Jesus from Mark Matthew Luke and John and lineating and titling Jesus's words as individual poems Jesus's poems are wisdom lyrics and narrative parables rich with garden animal and nature imagery Austere and poignant they carry the totality of the Gospels message through the intensity of a single voice the Gospel of Jesus

*Sonnets* William Baer, 2005 The irresistible dazzling sonnet is now in the midst of a tremendous literary revival This unique anthology contains 150 contemporary sonnets written by a wide range of talented authors including some of our most distinguished living poets Publisher *Breeze*, 1996 *Rhyming Poems* William Baer, 2007

**Anthology of Magazine Verse and Yearbook of American Poetry, 1997** Alan F. Pater, 1997-05 **The American Scholar** William Allison Shimer, 1996 **Algebra of Night** Willis Barnstone, 1999 Descriptive copy pending receipt of title at Poets House *Chiricú*, 1999 **The Formalist**, 1997 **The Virginia Quarterly Review**, 1996 *September 11, 2001* William Heyen, 2002 Over 125 American writers reflect on September 11 in its immediate aftermath *Poetry* Harriet Monroe, 1996 *Sweetbitter Love* Sappho, 2006 In this translation of the Greek poetess's work Barnstone remains faithful to the words of the fragments only very judiciously filling in a word or phrase in cases where the meaning is obvious *The American Voice*, 1998 *Current Contents. Arts & Humanities* Institute for Scientific Information, 1996
