

Secretarial Wars

Linda Gould

Secretarial Wars

Percy M. Thornton

Secretarial Wars:

Secretarial Wars Linda Gould, 2003-06-19 Miriam a Washington secretary in her late twenties recently divorced living in a drab apartment and stuck in a dead end job longs for fame fortune and love Her days are spent in an office cubicle surrounded by files belonging to applicants for U S Peace grants a program that sends scholars abroad to teach and disseminate American ideals or maybe for more dubious purposes Miriam s two best friends at work flower child Jocelyn and conventional Cass harbor ambitions of their own The three secretaries lunch together weekly at a nightclub that Jocelyn co manages in her spare time Her life s dream is to be reunited with a rock star who got his start there Cass sets her sights on a local football hero and hatches a plot to use her superior secretarial skills to ensnare him Miriam plans to write an investigative piece about her agency for an underground newspaper editor who holds court there The three girlfriends confront their dreams and their demons in a wild finale a fund raiser for a fire breathing Mayoral candidate From the cubicle to the Oval Office *Secretarial Wars* offers a light hearted look at bureaucratic life in Washington D C *Secretary of defense; Chairman, Joint chiefs of staff; Service secretaries and chiefs of staff; overall financial statements* United States.

Congress. House. Committee on Appropriations, 1962

THE ORGANIZATION AND ORDER OF BATTLE OF

MILITARIES IN WORLD WAR II Charles D. Pettibone, 2014-04 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only with the division and corps level of a country s army Most higher commands are not covered This book deals with all the branches of a country s military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command structure for the other military branches are included Second it attempts to give an overall command structure of the country s military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commanders and their dates of tenure This book includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officer s career through the upper echelons of command making this completely different from all the other Order of Battle books on the market *Secretarial Procedure*
