Ryder Carey has known Rosie Stark their whole lives including one very hot night three years ago but he's always been about the rodeo. Finally back home and ready to make it up to her, he takes one look at Rosie and her twin boys who look just like him and realizes the truth. When Rosie found out she was pregnant, she figured Ryder would at least come and say hello when he was home the next time so she could tell him. But he never did. So she's made her own life as a single mom, no thanks to him. Now Ryder is back. And he has the nerve to be furious with her. He's determined to be a father to his kids and more than happy to fight about it. In court if necessary. Or anywhere else which feels a little too much like those sparks she remembers from Texas and wants nothing to do with now. Or does she? Maybe she wants to fight with him. But Ryder has a better idea she could marry him instead.

Ad exec Krista Martin while feeling more Grinch than elf still jumps at the chance to co chair Marietta's Secret Santa Society. Why not? Especially since brilliant attractive and innovative tech wunderkind Jonah Andrews has agreed to help. He's well connected and Krista's hoping for some advice on rebooting her career. Jonah knows Krista has a not so hidden agenda but sparring with her over cocoa at their Secret Santa meetings is the most fun he's had since returning to his old hometown. Krista may come across as all business but Jonah's positive he's glimpsed a little girl inside her who wants to believe in Santa and in love.      *Skiing*, 1987-01

*Skiing*, 1987-01      *Swans of the Kremlin* Christina Ezrahi, 2012-11-30  
Classical ballet was perhaps the most visible symbol of aristocratic culture and its isolation from the rest of Russian society under the tsars. In the wake of the October Revolution, ballet like all of the arts fell under the auspices of the Soviet authorities. In light of these events, many feared that the imperial ballet troupes would be disbanded. Instead, the Soviets attempted to mold the former imperial ballet to suit their revolutionary cultural agenda and employ it to reeducate the masses. As Christina Ezrahi's groundbreaking study reveals, they were far from successful in this ambitious effort to gain complete control over art. *Swans of the Kremlin* offers a fascinating glimpse at the collision of art and politics during the volatile first fifty years of the Soviet period. Ezrahi shows how the producers and performers of Russia's two major troupes, the Mariinsky (later Kirov) and the Bolshoi, quietly but effectively resisted Soviet cultural hegemony during this period. Despite all controls put on them, they managed to maintain the classical forms and traditions of their rich artistic past and to further develop their art form. These aesthetic and professional standards proved to be the power behind the ballet's worldwide appeal. The troupes soon became the showpiece of Soviet cultural achievement as they captivated Western audiences during the Cold War period. Based on her extensive research into official archives and personal interviews with many of the artists and staff, Ezrahi presents the first ever account of the inner workings of these famed ballet troupes during the Soviet era. She follows their struggles in the postrevolutionary period, their peak during the golden age of the 1950s and 1960s, and concludes with their monumental productions staged to celebrate the
