Seven Day Magic:

Fantasy Brian Attebery, 2022 Fantasy has become a dominant mode of storytelling and it mirrors our experiences and anxieties better than any representation of the merely real This book poses two central questions about fantastic storytelling how can it be meaningful if it doesn't claim to represent things as they are and what kind of change can it make in the world

Reflections Peter James Ford, 2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter's spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

Vision Quest Peter James Ford, 2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter's late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart

Mysticism in Newburyport Peter James Ford, 2023-02-19 MYSTICISM

West,2024-03-12

Scholars in the field of children s literature studies began taking an interest in the concept of liminal spaces around the turn of the 21st century For the first time *Liminal Spaces in Children s and Young Adult Literature* Stories from the In Between brings together in one volume a collection of original essays on this topic by leading children s literature scholars The contributors in this collection take a wide variety of approaches to their explorations of liminal spaces in

children's and young adult literature Some discuss how children's books portray the liminal nature of physical spaces such as the children's room in a library Others deal with more abstract portrayals such as the imaginary space where Max goes to escape the reality of his bedroom in Maurice Sendak's *Where the Wild Things Are* All of the contributors however provide keen insights into how liminal spaces figure in children's and young adult literature

The Well-Wishers Edward Eager, 1999-08-16 The wishing well is all used up its magic drained its enchantment gone dry Or has it In a reckless moment Gordy threatens the old well telling it to get going with its magic or else and suddenly he and his friends are plunged into just the sort of adventures they'd longed for But is it really the well's magic that transforms troublemaker Dicky LeBaron from ne'er-do-well to hero Or keeps Appledore's orchard in bloom Or sends James on a daring rescue of a damsel in distress Does it matter Sometimes the best kind of magic is the kind that isn't so magical at all
