## **Sex Ring In A Small Town:**

**Selling Sex Overseas** Ko-lin Chin, James O. Finckenauer, 2012-09-17 2013 Outstanding Book Award Winner from the Division of International Criminology American Society of Criminology Every year thousands of Chinese women travel to Asia and the United States in order to engage in commercial sex work In *Selling Sex Overseas* Ko lin Chin and James Finckenauer challenge the current sex trafficking paradigm that considers all sex workers as victims or sexual slaves and as unwilling participants in the world of commercial sex Bringing to life an on the ground portrait of this usually hidden world Chin and Finckenauer provide a detailed look at all of its participants sex workers pimps agents mommies escort agency owners brothel owners and drivers Ultimately they probe the social economic and political organization of prostitution and sex trafficking contradicting many of the moral crusaders of the human trafficking world *The 1980s* Kimberly R.

Moffitt, Duncan A. Campbell, 2011 As we approach twenty years since the end of the 1980s we have the opportunity to see the decade in perspective and are in a position to question the glib assumption that the 1980s were a mere conservative foil to the 1960s *The 1980s A Critical and Transitional Decade* edited by Kimberly R Moffitt and Duncan A Campbell places its topics within the context of a decade described as both critical and transitional because the 1980s in many respects marked the end of one era and the beginning of another For example the Reagan presidency the end of the Cold War MTV and the appearance of the personal computer all reflect a legacy of political cultural and social transformation of the United States and the world and took place specifically within the 1980s The function of this interdisciplinary volume is not to simply highlight the significant phenomena of the period but rather demonstrate how so many apparently disparate events were in fact closely inter related and also products of their age *The 1980s* is a holistic analysis of the decade that focuses on major turning points developments in literature art entertainment politics and social experimentation *The 1980s A Critical and Transitional Decade* edited by Kimberly R Moffitt and Duncan A Campbell is a groundbreaking and stand alone introductory volume that is unapologetically interdisciplinary in nature and encourages students to explore topics of the decade often overlooked or grouped together with other more memorable decades such as the 1920s or 1960s **The Routledge**
