A part of the bestselling P.I.G. series

***You think you know about Islam.
But did you know:***

- ✦ Islam teaches that Muslims must wage war to impose Islamic law on non-Muslim states
- ✦ American Muslim groups are engaged in a huge cover-up of Islamic doctrine and history
- ✦ Today's jihad terrorists have the same motives and goals as the Muslims who fought the Crusaders

Politically Incorrect Guide To Islam And The Crusades Lib Mp3:

The Truth About Muhammad Robert Spencer, 2006-09-15 Muhammad a frank look at his influential and violent life and teachings In The Truth about Muhammad New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam perhaps the first such portrait in half a century unbounded by fear and political correctness unflinching and willing to face the hard facts about Muhammad s life that continue to affect our world today From Muhammad s first revelation from Allah which filled him with terror that he was demonpossessed to his deathbed from which he called down curses upon Jews and Christians it s all here told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad Spencer details Muhammad s development from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms promising his warriors luridly physical delights in Paradise if they were killed in his cause He explains how the Qur an s teaching on warfare against unbelievers developed with constant war to establish the hegemony of Islamic law as the last stage Spencer also gives the truth about Muhammad s convenient revelations justifying his own licentiousness his joy in the brutal murders of his enemies and above all his clear marching orders to his followers to convert non Muslims to Islam or force them to live as inferiors under Islamic rule In The Truth about Muhammad you ll learn The truth about Muhammad s multiple marriages including one to a nine year old How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries How Muhammad s example justifies jihad and terrorism The real Satanic verses incident not the Salman Rushdie version that remains a scandal to Muslims How Muhammad s faulty knowledge of Judaism and Christianity has influenced Islamic theology and colored Muslim relations with Jews and Christians to this day Recognizing the true nature of Islam Spencer argues is essential for judging the prospects for largescale Islamic reform the effective prosecution of the War on Terror the democracy project in Afghanistan and Iraq and immigration and border control to protect the United States from terrorism All of which makes it crucial for every citizen and policymaker who loves freedom to read and ponder The Truth about Muhammad

Did Muhammad Exist? Robert Spencer, 2021-07-13 Are jihadis dying for a fiction Everything you thought you knew about Islam is about to change Is there any sound historical evidence that the prophet of Islam actually existed or is the entire story of Muhammad fable or fiction It is a question that few have thought or dared to ask Virtually everyone Muslim and non Muslim alike takes for granted that the prophet of Islam lived as a prophet as well as a political and military leader in seventh century Arabia But this widely accepted story begins to crumble on close examination In his blockbuster New York Times bestseller The Truth about Muhammad historian and Islam expert Robert Spencer revealed the often shocking contents of Islamic teachings about Muhammad Now in this newly revised and expanded version of Did Muhammad Exist he lays bare those teachings surprisingly shaky historical foundations This updated and enlarged version of this acclaimed book examines even more striking and compelling evidence that the story of Muhammad who for so long was

assumed to have lived in the full light of history could be more myth and legend than historical fact Spencer meticulously examines historical records and archaeological findings pioneering new scholarship to reconstruct what we can know about Muhammad the Qur'an and the early days of Islam The evidence he presents challenges the most fundamental assumptions about Islam's origins
