RJ Shavelson

Ralph Waldo Emerson Oxford Authors:

Nothing Abstract Tom Quirk, 2001 Written by one of the leading scholars in the field *Nothing Abstract* is a collection of essays gathered over the past twenty years all of which in some fashion have to do with a genetic approach to literary study In previous books the author has traced the compositional histories of certain literary works the course of individual careers and the genesis of literary movements In this book Tom Quirk resists the direction taken by contemporary theory in favor of an approach to literature through source and influence study the evolution of a writer's achievement the establishment of biographical or other contexts and the transition from one literary era to another *The Cambridge History of English Literature, 1660-1780* John Richetti, 2005-01-06 The *Cambridge History of English Literature 1660-1780* offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume's guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully

Ralph Waldo Emerson Ralph Waldo Emerson, 1990 This major new volume offers a wide selection of works from Emerson's lectures and essays including some that have seldom been reprinted such as *Quotation and Originality* In addition leading Emerson critic Richard Poirier provides helpful annotations to a generous selection of poems making this the most accessible edition of Emerson currently available

Romantic Ecocriticism Dewey W. Hall, 2016-03-15 *Romantic Ecocriticism Origins and Legacies* is unique due to its rare assemblage of essays which has not appeared within an edited collection before *Romantic Ecocriticism* is distinct because the essays in the collection develop transnational and transhistorical approaches to the proto ecological early environmental aspects in British and American Romanticism First the edition's transnational approach is evident through transatlantic connections such as but are not limited to comparisons among the following writers William Wordsworth William Howitt and Henry D Thoreau John Clare and Aldo Leopold Charles Darwin and Ralph W Emerson Second the transhistorical approach of *Romantic Ecocriticism* is evident in connections among the following writers William Wordsworth and Emily Bronte Thomas Malthus and George Gordon Byron James Hutton and Percy Shelley Erasmus Darwin and Charlotte Smith Gilbert White and Dorothy Wordsworth among others Thus *Romantic Ecocriticism* offers a dynamic collection of essays dedicated to links between scientists and literary figures interested in natural history

Musikästhetik Helga De la Motte-Haber, Eckhard Tramsen, 2004 *Emerson's Transatlantic Romanticism* D. Greenham, 2015-12-04 This book provides an original account of Emerson's creative debts to the British and European Romantics including Coleridge and Carlyle firmly locating them in his New England context

Moreover this book analyses and explains the way that his thought shapes his unique prose style in which idea and word become united in an epistemology of form

Contemporary Authors New Revision Pamela Dear, 2000-06 This volume of Contemporary Authors R New Revision Series brings you up to date information on approximately 250 writers Editors have scoured dozens of leading journals magazines newspapers and online sources in search of the latest news and criticism Writers appearing in this volume include Gail Anderson Dargatz Valerie Martin Isidore Okpewho Philip Roth

A Historical Guide to Ralph Waldo Emerson Joel Myerson, 2023 Emerson has maintained his place as one of the seminal figures in American history and literature He was the acknowledged leader of the Transcendentalist movement These essays discuss Emerson s life as well as women s rights slavery and religion
