**Rancher's Refuge** Linda Goodnight,2013-01-01 Rancher Austin Blackwell knows a wounded creature when he sees one Although Annalisa Keller won t reveal how she ended up stranded in Whisper Falls his conscience refuses to let her leave The little Ozarks town could be the perfect place for her to start over just as it was for him Trying to keep his own past hidden Austin finds himself falling for the vulnerable beauty with too many secrets Before long Annalisa s warmth and love of life work their way into Austin s heart and promise never to leave *The Bloody Ranch* Filip Markovic,2019-01-24 Is it worth the sacrifice of love for justice This was the question of one innocent girl who lost everyone She witnessed the crime that ruined her family and after suffering the injustice she ran away After many years she was cured of depression and with the tragedy of her family locked in a cage inside her heart she managed to find her true love and now she was back to make things right Once her land her bloody ranch belonged to her but it was no longer hers In search of evidence for light in darkness over her soul provoked by an unforgivable crime she takes some dangerous steps on her way for justice Everything comes with a price as well as justice and she is ready for the biggest sacrifice of her life playing the game where she can win her deserved justice or lose her true love **The Taft Ranch** A. Ray Stephens,2014-03-07 For fifty years the progressive Coleman Fulton Pasture Company popularly known as the Taft Ranch led in the development of South Texas and in the early twentieth century achieved national and international repute for its contributions to agriculture The story of the ranch reaches its climax as the firm is absorbed into the community growing up around it the same community the ranch had nurtured to an unprecedented prosperity In 1961 A Ray Stephens visited Taft Texas and received permission to use the dust covered records which for thirty years had been closed to historians These records plus the valuable supplementary material in the Fulton Collection at the University of Texas have enabled the author to tell the complete story of the ranch from its inception in 1880 to its dissolution in 1930 In 1880 with a fifty year charter the Coleman Fulton Pasture Company was legally born as a private corporation For the duration of its history this company aided the advancement of South Texas through effective utilization of the fertile land through development of agriculture and related industries and through encouragement of settlers and curious visitors to the Coastal Bend region Its history is a long determined fight against severe drought cattle disease and financial insolvency Guided by farsighted men who believed in experimentation in agriculture and who also promoted the establishment of stores schools colleges churches and industrial plants the company not only survived but prospered and by 1920 its owners could survey their vast properties with well earned satisfaction The struggling cattle firm of 1880 had expanded into a multi interest profitable corporation that had established and supervised most of the industries in Taft Texas Stephens well documented 1964 study had been long needed During the three decades preceding it the ranch had been well nigh forgotten only the handful of people then still living who had worked on the ranch had kept its memory fresh while the voluminous company records remained inaccessible The author supplemented his study of company records

and newspapers with archival material government records and information obtained during hours of interviewing His book will insure for the Taft Ranch its deservedly prominent position in Texas history The lively introduction was written by Joe B Frantz 1917 1993 who in his role of Professor of History at the University of Texas encouraged the study and watched its development *The Mistress of the Ranch* Frederick Thickstun Clark, 1897 **Betting on the Cowboy (The Sisters of Bell River Ranch, Book 2) (Mills & Boon Superromance)** Kathleen O'Brien, 2013-07-01 Brianna Wright has ventured to the Bell River Ranch to make peace with her sister With enough time here in Colorado Bree might accomplish that goal and forget the mess of her business back in Boston Of course none of that will happen if she lets herself get distracted by a certain gorgeous and charming cowboy Grayson Harper **The Virtues of Vengeance** Peter A.
