

Rapture

If thou hast grief
And passion vex the spirit that is in thee--

There was a stony beach
Where the heat flickered and the little waves
Whispered each to each,
Dove-coloured was that stony beach,
And white birds hungering hovered over
The shining waves;
And men had kindled there
A great fierce heap of golden flame--
Spoiled grasses with dead buttercups and pale clover,
The agonising flame
Yearned in its vitals towards the quiet air
And died in a little smoke,
And on the coloured beach the black warm ash
Remained.

Then on that warm ash
Another heap of grasses was outpoured,
And instant came
Another knot of struggling yellow smoke
That burst into new agonies of flame,
Dying into a drift of smoke;
And on the coloured beach the black cold ash
Remained.

Or is thy grief too deep,
Passion too dear, the spirit in thee asleep?--

Twelve deep and sombre, still,
Expectant, hushed,
The miles-long crowd stood--and then listening,
The nervous drums,
The unendurable, low reeds:
Silence--and then the nearing drums
Again, again the thrilling reeds,
And then
(The deep crowd hushed)
Following an almightier King
That rode unseen,
Drew near the tributary magnificence....
Hushed, hushed,
The deep crowd stood, devouring, listening;
But a child on his father's shoulder cried,
"Hurrah, hurrah!"--

Only have thou no fear
Pride, but no fear.

Rapture #1 Matt Kindt, 2017-05-24 On a scarred landscape two otherworldly armies prepare to battle one last time vying for control of a massive tower named from an ancient language no longer permitted to be spoken One army is led by a primeval force named Babel whose goal is singular to breach Heaven no matter the cost The only thing standing in his way is a gray haired barbaric warrior filled with rage and regret a man who sees this battle as his last chance for redemption But he knows his depleted forces have little chance of victory unless aid comes Enter Tama A 12 year old girl on the crest of a hill overlooking the battle who has just become humanity's only hope The last in an ancient line of mystics who protect the Earth she has foreseen this battle and knows millions will perish if she's unable to stop it Now Tama and her ragtag team of malcontents Ninjak Shadowman and Punk Mambo must somehow defeat an elder god hell bent on piercing the heavens This summer New York Times best selling writer Matt Kindt X O Manowar and artistic sensation CAFU Rai lead a Tolkien esque journey into the space between life and death through the Deadside and into the many worlds that lie beyond right here with a spellbinding and horrific standalone event

Select Poems of William Wordsworth William Wordsworth,William James Rolfe,1889 The Body Emblazoned Jonathan Sawday,2013-10-16 An outstanding piece of scholarship and a fascinating read The Body Emblazoned is a compelling study of the culture of dissection the English Renaissance which informed intellectual enquiry in Europe for nearly two hundred years In this outstanding work Jonathan Sawday explores the dark morbid eroticism of the Renaissance anatomy theatre and relates it to not only the great monuments of Renaissance art but to the very foundation of the modern idea of knowledge Though the dazzling displays of the exterior of the body in Renaissance literature and art have long been a subject of enquiry The Body Emblazoned considers the interior of the body and what it meant to men and women in early modern culture A richly interdisciplinary work The Body Emblazoned reassesses modern understanding of the literature and culture of the Renaissance and its conceptualization of the body within the domains of the medical and moral the cultural and political
