RALPH and the TRAIN WRECKERS BY ALLEN CHAPMAN

THE RAILROAD SERIES

By Allen Chapman

Based on facts, Illustrated
Every Volume Contains a Full

In this line of books there is no
credit the whole workings of the
great railroad system. There are
adventures in pleasure-traveling
trains, trains through forest fires,
the pursuit of a "robber" train, a
train, the disappearance of a passenger
train, the escape of a passenger train
from a large city of money in hand,
and there is much more than this.
The volume deals with the
work and railroad men, the working
out of railroad accidents, the getting
through "on time" in spite of
all obstacles, and the transportation
of railroad material by rail and
the making of the rails.

Books that every generation has
right to read.
