Range Cattle Industry Ranching On Great:

The Range Cattle Industry Edward Everett Dale,1960 *The Range Cattle Industry* Edward Everett Dale,1930

Report in Regard to the Range and Ranch Cattle Business of the United States United States. Department of the Treasury. Bureau of Statistics,Joseph Nimmo (Jr.),1885 *The Range Cattle Industry* Edward Everett Dale,1960

Cowboys, Ranchers and the Cattle Business S. M. Evans,Sarah Carter,Bill Yeo,Glenbow Museum,2000 Papers from a conference held at the Glenbow Museum in Sept 1997 **Characteristics of the Range Cattle Industry** Burke

Mitchell,1978 *The Atlas of U.S. and Canadian Environmental History* Char Miller,2003-08-08 This visually dynamic historical atlas chronologically covers American environmental history through the use of four color maps photos and diagrams and in written entries from well known scholars Organized into seven categories each chapter covers agriculture wildlife and forestry land use and management technology and industry polluti **Public Lands and Political Meaning**

Karen R. Merrill,2002-07-15 The history of the American West is a history of struggles over land and none has inspired so much passion and misunderstanding as the conflict between ranchers and the federal government over public grazing lands Drawing upon neglected sources from organized ranchers this is the first book to provide a historically based explanation for why the relationship between ranchers and the federal government became so embattled long before modern environmentalists became involved in the issue Reconstructing the increasingly contested interpretations of the meaning of public land administration Public Lands and Political Meaning traces the history of the political dynamics between ranchers and federal land agencies giving us a new look at the relations of power that made the modern West Although a majority of organized ranchers supported government control of the range at the turn of the century by midcentury these same organizations often used a virulently antifederal discourse that fueled many a political fight in Washington and that still runs deep in American politics today In analyzing this shift Merrill shows how profoundly people s ideas about property wove their way into the political language of the debates surrounding public range policy As she unravels the meaning of this language Merrill demonstrates that different ideas about property played a crucial role in perpetuating antagonism on both sides of the fence In addition to illuminating the origins of the sagebrush rebellions in the American West this book also persuasively argues that political historians must pay more attention to public land management issues as a way of understanding tensions in American state building *House documents* ,1885 **A Companion to American Agricultural History** R.

Douglas Hurt,2022-06-08 Provides a solid foundation for understanding American agricultural history and offers new directions for research A Companion to American Agricultural History addresses the key aspects of America s complex agricultural past from 8 000 BCE to the first decades of the twenty first century Bringing together more than thirty original essays by both established and emerging scholars this innovative volume presents a succinct and accessible overview of American agricultural history while delivering a state of the art assessment of modern scholarship on a diversity of subjects

themes and issues The essays provide readers with starting points for their exploration of American agricultural history whether in general or in regards to a specific topic and highlights the many ways the agricultural history of America is of integral importance to the wider American experience Individual essays trace the origin and development of agricultural politics and policies examine changes in science technology and government regulations offer analytical suggestions for new research areas discuss matters of ethnicity and gender in American agriculture and more This Companion Introduces readers to a uniquely wide range of topics within the study of American agricultural history Provides a narrative summary and a critical examination of field defining works Introduces specific topics within American agricultural history such as agrarian reform agribusiness and agricultural power and production Discusses the impacts of American agriculture on different groups including Native Americans African Americans and European Asian and Latinx immigrants Views the agricultural history of America through new interdisciplinary lenses of race class and the environment Explores depictions of American agriculture in film popular music literature and art A Companion to American Agricultural History is an essential resource for introductory students and general readers seeking a concise overview of the subject and for graduate students and scholars wanting to learn about a particular aspect of American agricultural history

The Slaughterhouse Cases Ronald M. Labbé, Jonathan Lurie, 2003 The rough and tumble world of nineteenth century New Orleans was a sanitation night mare with the city's many slaughterhouses dumping animal remains into neighboring backwaters When Louisiana finally authorized a monopoly slaughterhouse to bring about sanitation reform many butchers felt disenfranchised from their livelihoods Framing their case as an infringement of fundamental rights protected by the new amendment they flooded the lower courts with nearly 300 suits The surviving cases that reached the U S Supreme Court pitted the butchers right to labor against the state's police power to regulate public health The result was a controversial and long debated decision that for the first time addressed the meaning the import of the Fourteenth Amendment

A Survey of the Cattle Industry in the Nebraska Sand Hills Harold Hedges, 1926 *Report on the Internal Commerce of the United States* United States. Department of the Treasury. Bureau of Statistics, 1885

Frontier Ways Edward Everett Dale, 2010-06-28 The classic account of what day to day life was like for cowboys and pioneer families in the American West Born in a log cabin in 1879 Edward Everett Dale sought education and became a prolific and versatile professional writer but always remained rooted in his close connection to the frontier He lived in a sod house and once rode the range as cook to a group of cowboys His life experiences brought exceptional authenticity to his work including this classic first hand account of the way pioneers lived In *Frontier Ways* he describes all aspects of frontier life the building of a home the problems of finding wood and water the procuring and cooking of food medical practices and the cultural social and religious life of pioneer families Lively and involving this collection of his essays has allowed generations of readers to look back on the West's fascinating past At times Dale was the serious scholarly research bent historian but more often he was the folklorist humorist on the spot frontier reporter *Great Plains Journal*

Guide to the Study and Reading of American History Edward Channing, Albert Bushnell Hart, Frederick Jackson Turner, 1896 **Guide to the Study of American History** Edward Channing, 1896 **Report of the Kansas State Board of Agriculture** Kansas. State Board of Agriculture, 1888 **The Range Cattle Industry** Edward Everett Dale, 1960
Harper's New Monthly Magazine , 1886 Important American periodical dating back to 1850 **Railway World** , 1885
